# Foreword

As the long-awaited circus arrives amid the fanfare of trumpets, presents a spectacular show in an atmosphere of glamour and pageantry, then travels on, leaving behind it vivid memories; so does the Comet make its annual appearance, presenting in gala panorama the activities and personalities of the school year. It is in the Comet that we, the students of Austin High School, have the opportunity of seeing ourselves and our associates as the performers in the circus of school life. The editors and staff hope that this book will afford much pleasure and in the future will recall as many pleasant memories as "the greatest show on earth," which it has been our aim to portray in this, the Comet of 1940.

### to the graduates:

My wish for each graduate is that your years in Austin High have prepared you to think more clearly, to act more wisely, independently and courageously, and to be true to your ideals.

When you leave in a very few weeks, whether to begin college or the quest for a livelihood, as you face the unknown future may you "put your hand into the hand of God. That shall be to you better than a light and safer than a known way."

*A. N. McCallum*

### to the students:

A great high school, like the greatest show on earth, must rely upon the quality of its personnel and their cooperative spirit in every performance. As we approach the end of our seasons, we look back with pride at the school spirit which has led us on and we look to another year determined that, with an increased loyalty and a finer cooperation, a richer student life will come. As the stars of 1940 leave us by graduation, those now in training must become the leaders of our next acts on the rings of high school days. The spirit of Austin High School, like the greatest show, must go on.

## school board

The Board of Trustees of the Austin Public Schools is vested by the laws of the State of Texas with the exclusive control of the schools. The Board forms the educational policies of the schools with the advice of the superintendent, administers the school finances, and provides buildings and equipment.

The wide range of duties of the school board requires that each member be a public-spirited citizen, vitally interested in seeing that "all of the children of all the people" receive the best education possible.

Just such citizens compose the Austin Board of Trustees—the president, Mr. E. A. Murchison; the vice-president, Mr. R. G. Mueller; the secretary, Mrs. A. P. Robinson; Mr. L. H. Blendermann, Mr. A. C. Bull, Mrs. Hal P. Bybee, and Mr. Carl T. Widen.

registrar crofoot knows the answer . . . especially if it has something to do with scholastic requirements and credits.

one of miss armstrong's days sounds like ole mcdonald's farm . . . here a letter, there a phone, everywhere a mimeograph.

the following will please  
come to the office . . . a  
crowd of students standing  
around a door, and there's  
mr. guinn . . . 5 hours, son.

mrs. johnson: what's your  
name, son? that's what i said  
. . . no, you may not . . . you  
owe a permit from last week  
. . . and remember, that one is  
due tomorrow. . .

## fite nite 1939 . . .

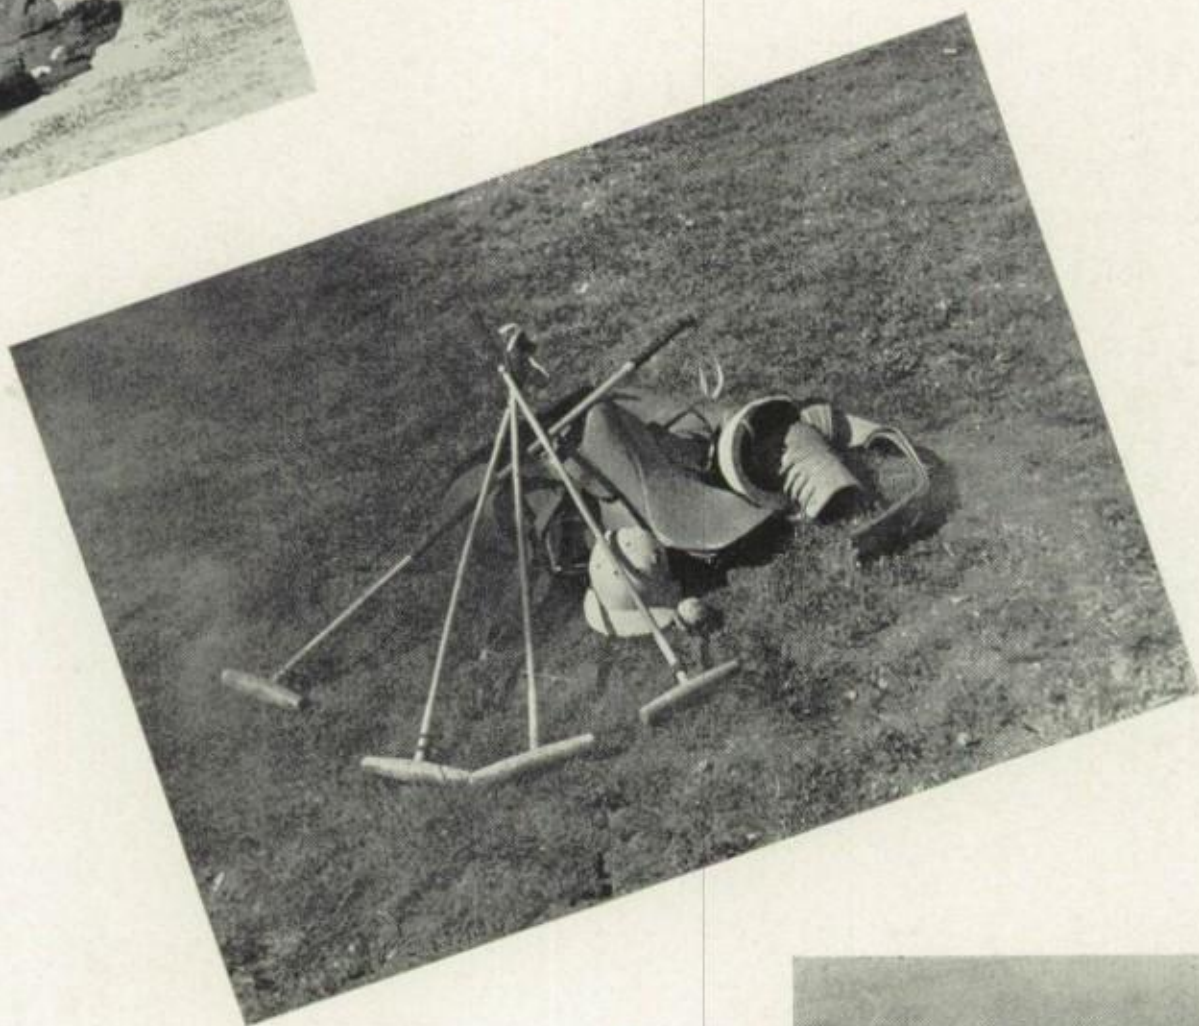

Climaxing the intramural season, sport fans saw 112-pound James Butcher take out Phillip Jones (top). Ed Hatzfeld, 175-pounder, put up a stiff fight against Buddy Sommers; Sommers took the decision. Rueben Barr was ping-pong champ over Paul Lochte with a 2-0 victory. In a lopsided basketball game, the fast playing Cooks defeated the Senators 28-4.

# Yea Maroons!

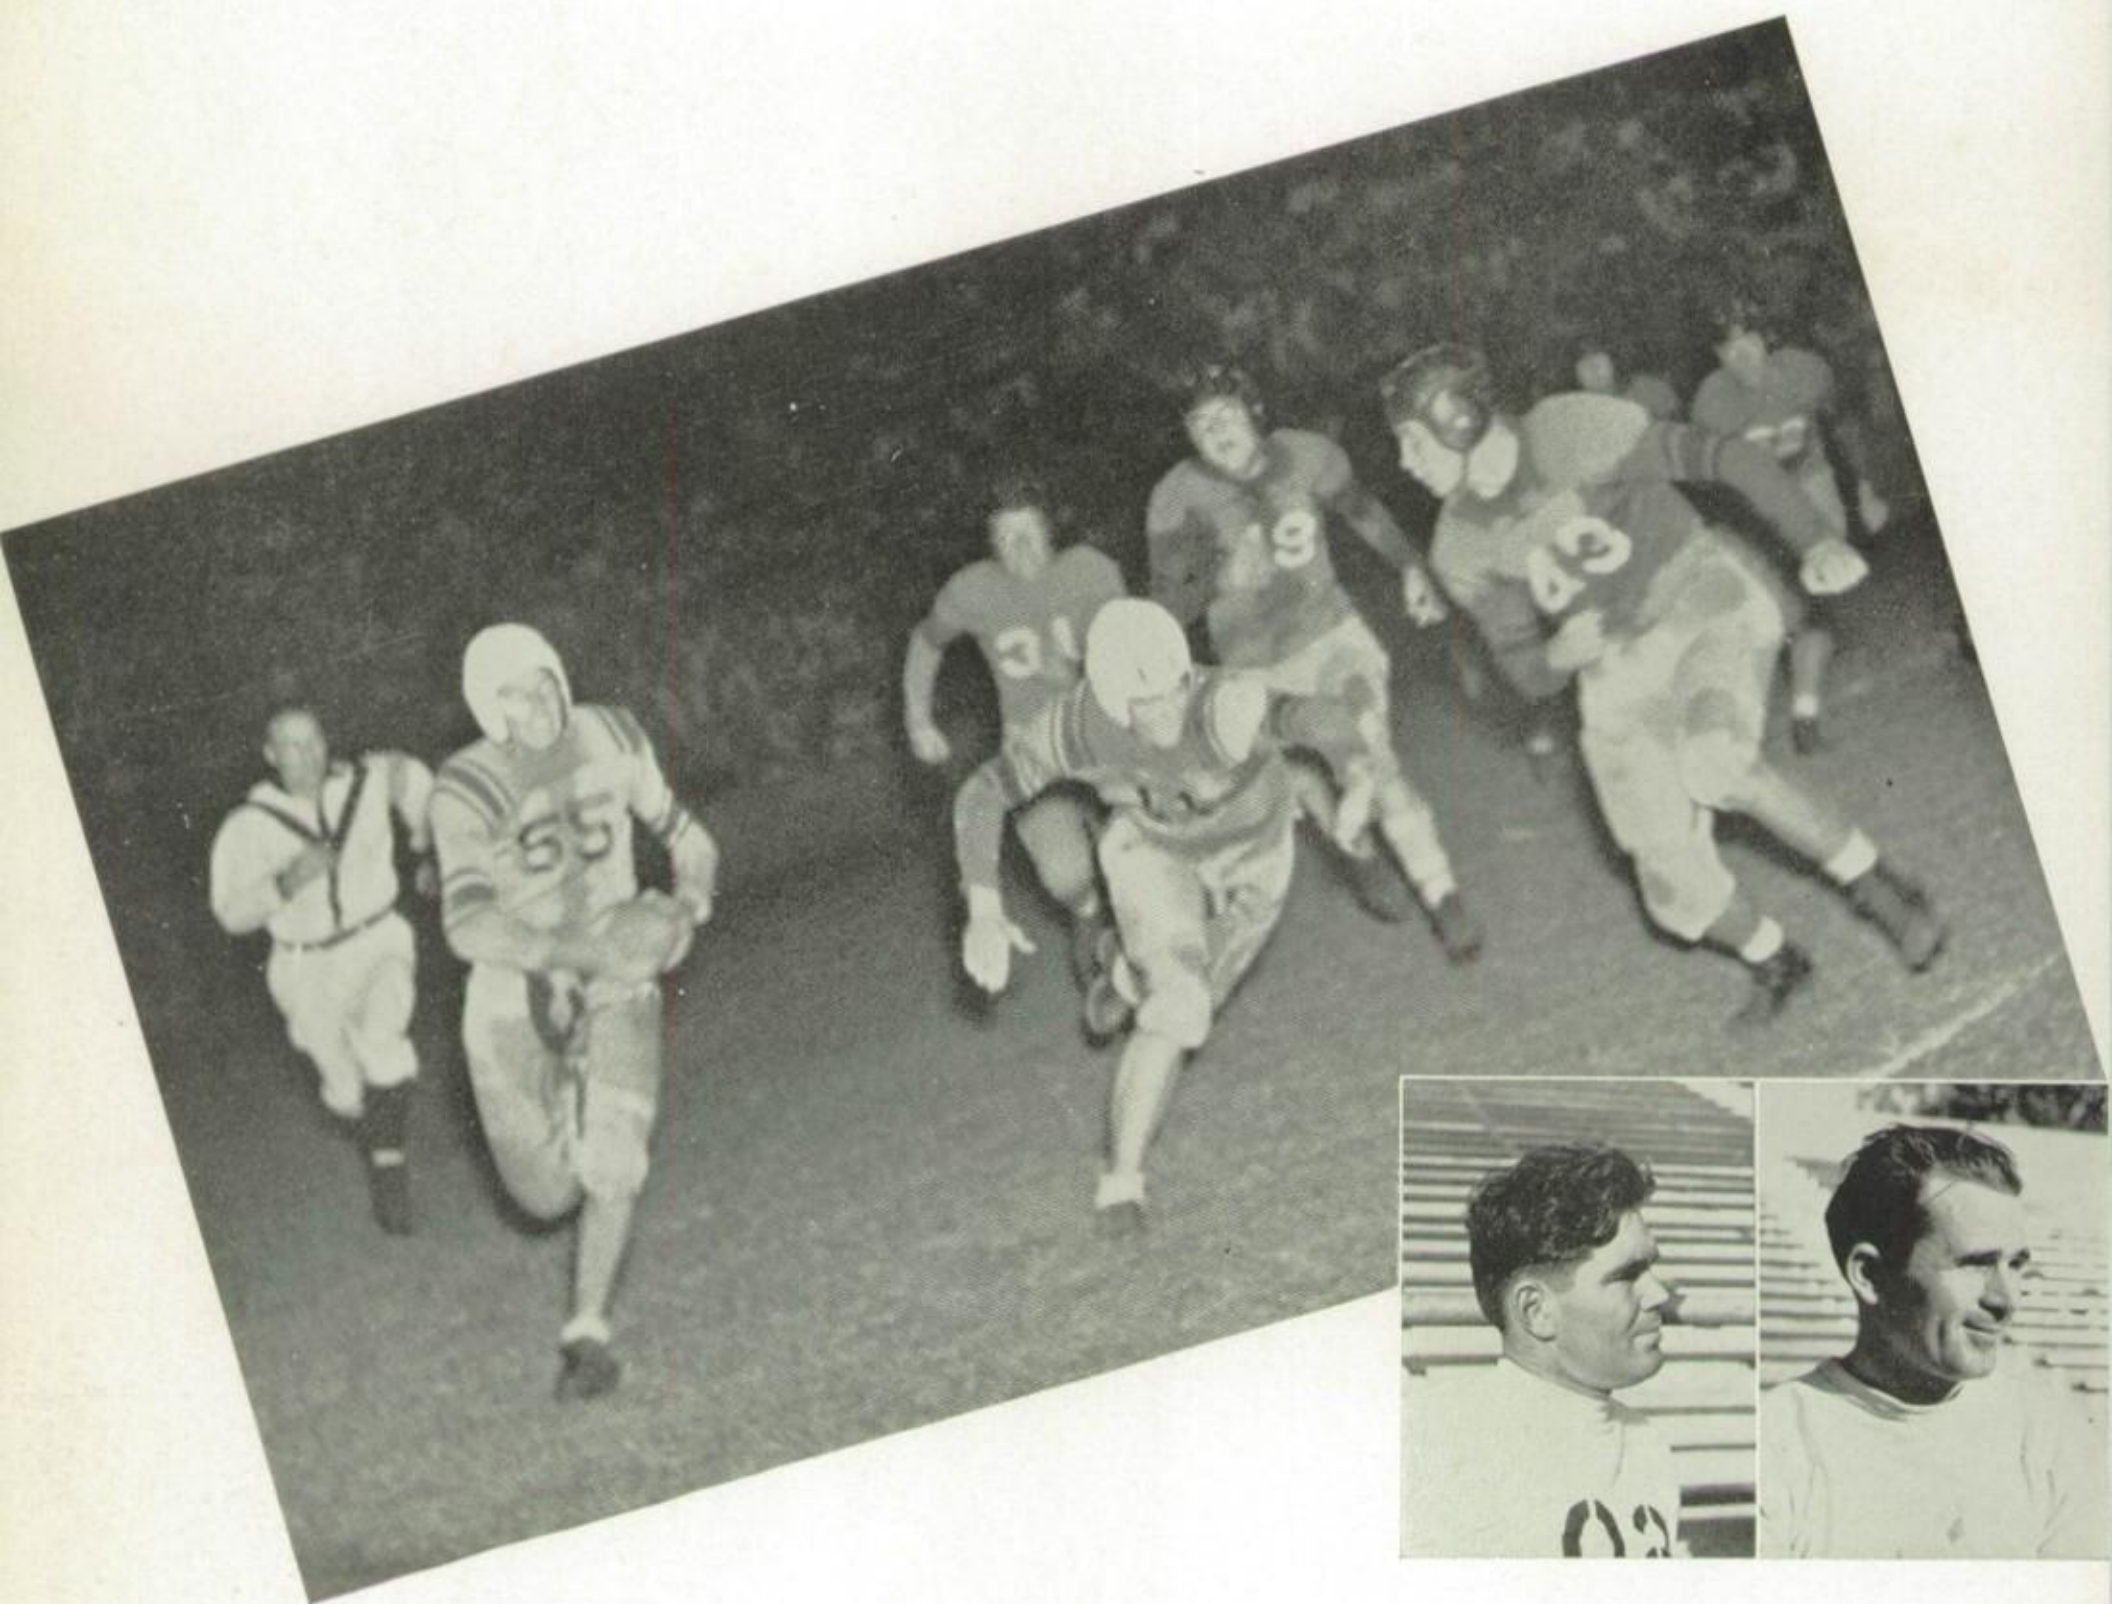

# football

The Austin band of grey-uniformed lads fought their way to the state schoolboy regional clash under the able guidance of Coaches Standard Lambert and Tony Burger. When the season started in September, daily news scribes gave them little chance of winning the district 15AA championship. The Lambertmen kicked the side out of the dope bucket; landed in the middle of Houston's Rice Stadium to battle Stephen F. Austin's heavy Mustangs to a 14-14 tie in the regional clash, only to lose by one penetration. Just one week before, the Crimson Tide moved in on the border city of Brownsville and took the Eagles 20-0 in a bi-district encounter.

Thus, the season leading up to the regional climax is quite a subject to look into. The year 1939 saw Austin's finest team in some nine years—undefeated in eleven games.

## Lockhart

Opening the season in the new stadium, the Maroons played an unexciting game with the Lions of "Class B" Lockhart. It was the beginning of Travis Raven's sensational broken-field dashes. In this game he scored the only tally during the middle of the last quarter. With fine blocking on the part of J. D. Griffin, twice All-District guard, Raven bobbed and weaved his way across the final stripe and booted the ball between the uprights for the extra point.

left: behind the powerful blocking of murph nelson, pete lewis scats deep into riverside territory; coaches standard lambert and tony burger. above: evading a hillsboro tackle, lewis again gets off for a first down; jack allison, duane coltharp, caradine dipperry.

### Riverside

The Blue and Red clad boys from up Fort Worth way were the next to be run under by the Maroons. The locals copped the game 20-0. Raven, from the Eagle 30-yard line, was the first to score; Lewis was the other offensive flash when he tallied late in the game. The Crimson forward wall, headed by Center J. B. Giles, Tackle Norman Loney, and Guard J. D. Griffin, played in the invaders' backfield time after time.

### Reagan

The Maroons' first out-of-town trip was to Houston against the favored John Reagan Bulldogs. Austin won the hard-fought game in the third quarter, 7-6. Duane Coltharp, classy right end, played fine defensive ball. He was featured in Austin's 73-yard drive which placed the ball within scoring radius. Raven toed his way to pay dirt and kicked the extra point. To the surprise of the Maroons, Reagan's Linc Roman ran 90 yards for a touchdown off a fake punt play.

### Hillsboro

The Lambertmen bounded back the next week with a victory cry and took the Hillsboro Eagles 20-0 in an intersectional clash. The scoring centered around Lewis and Raven, who kept blasting through openings smashed by the Maroon line.

### Harlandale

First district game of the season saw the Crimson lads roll over the Harlandale Indians to the tune of 26-0. Four times Raven sneaked through Redskin territory to the end zone and converted twice to send the Maroons off to a flying start for the District crown. During the game the reserves outplayed the Indians, with Gray and Munro showing up well.

### Laredo

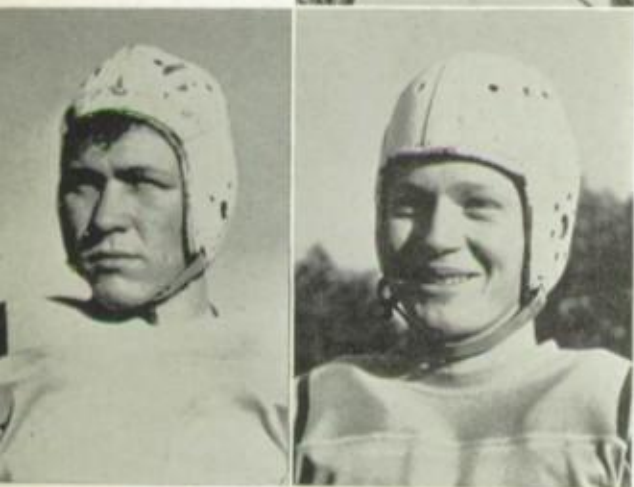

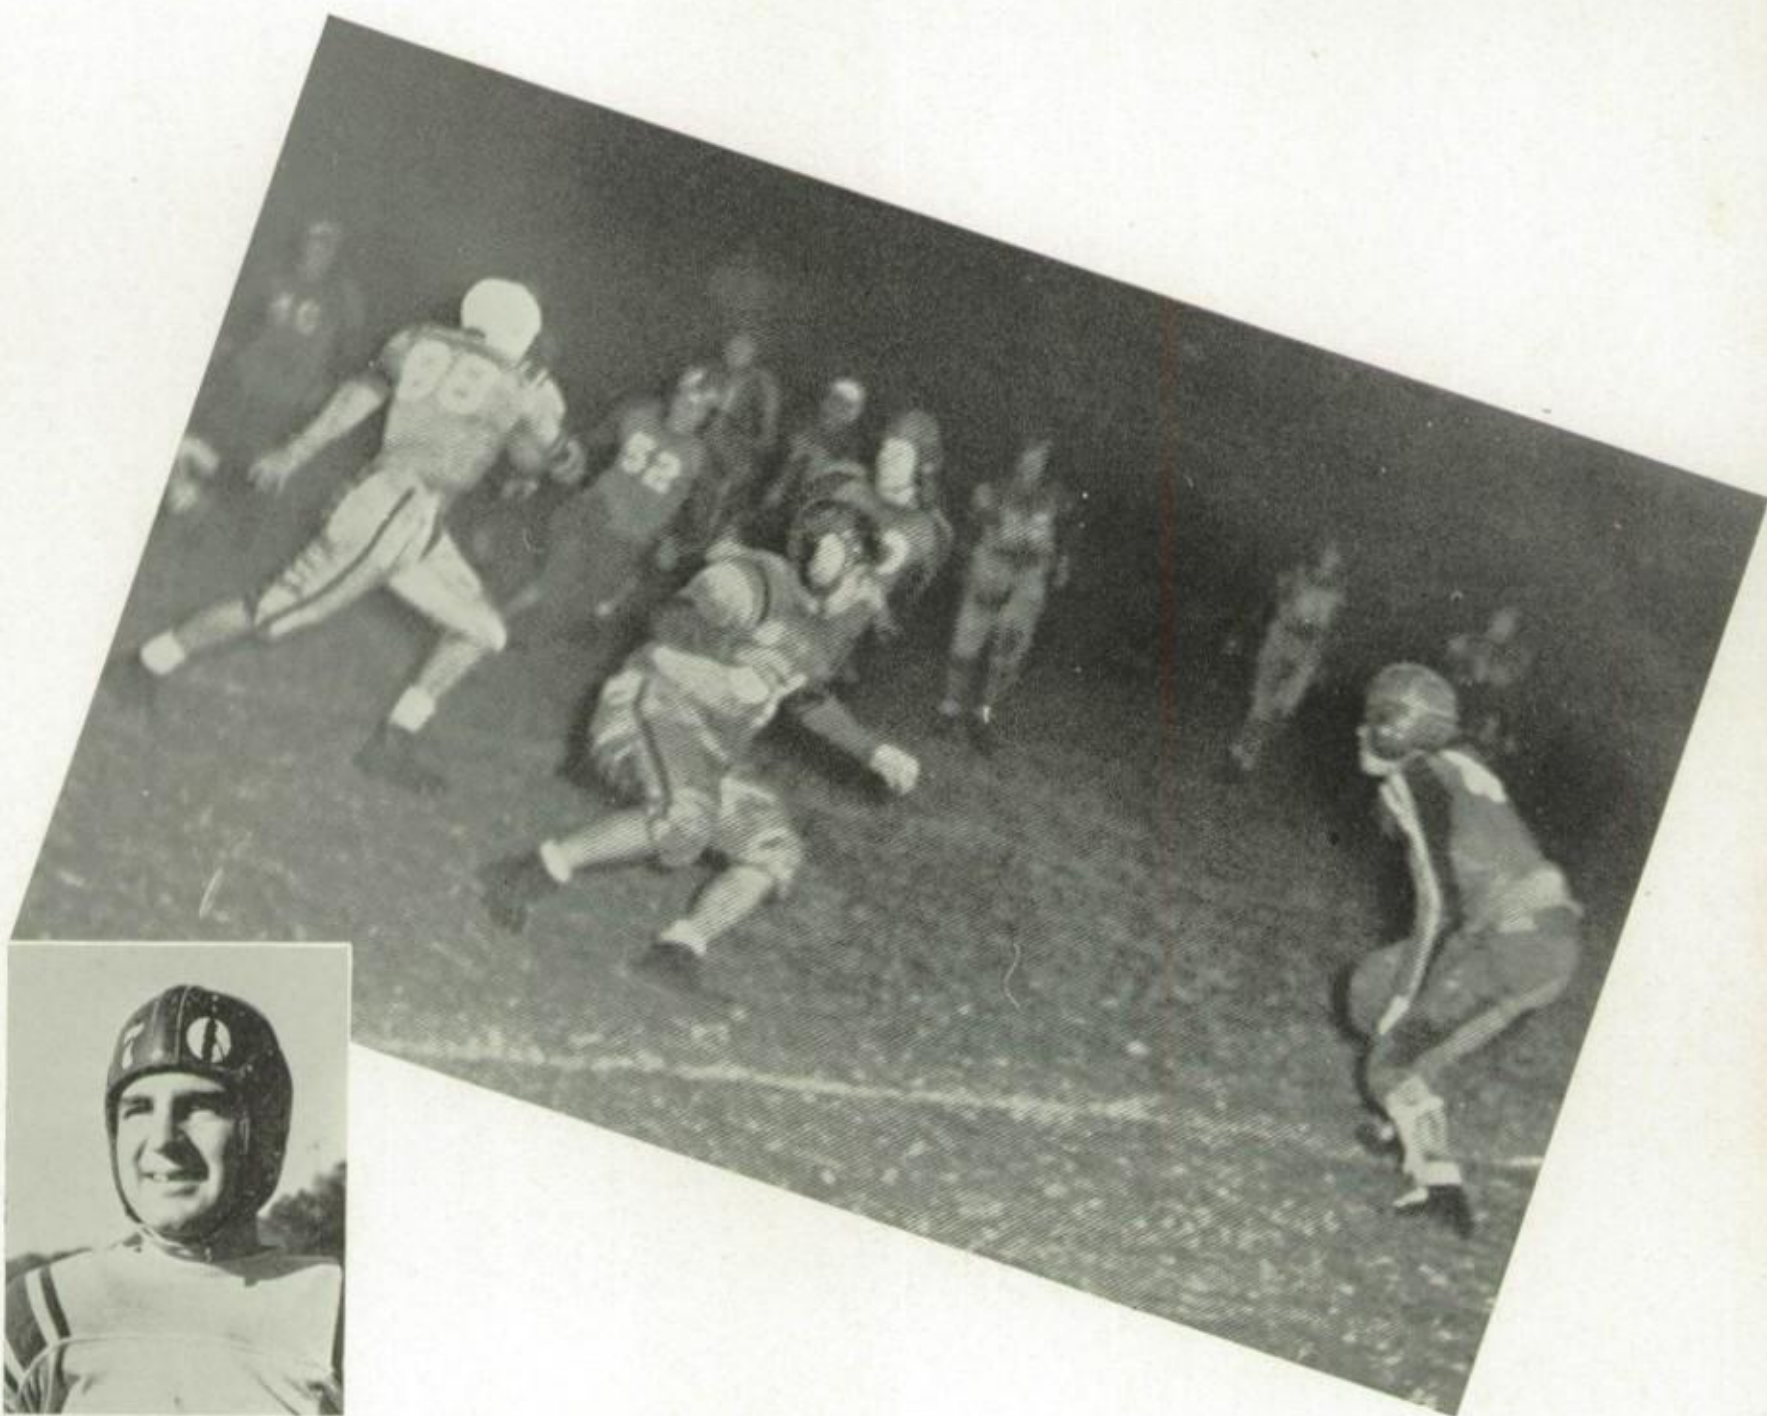

A second district victory fell to the Maroons in a lopsided game with the Laredo Tigers. The pigskin toters played a slow, listless game; although Pete Lewis, 128-pound spark plug, came through with some fancy broken field running. The first tally was made by Lewis on a two-yard hop through the line. During the second period Raven fired a pass over the middle to Holder for the final score, 13-0.

### Thomas Jefferson

The boys next invaded Eagle Field and corralled the Thomas Jeff Mustangs. Raven scored all 39 points, the most spectacular being an 80-yard touchdown jaunt. Fagg of Jeff made their only tally; failed to make the conversion. The game ended 39-6.

### **Brackenridge**

On November 10, the Brackenridge Eagles landed in House Park Stadium with the hope that they could carry away the game in their talons. Unfortunately for the Eagles, Larson blocked a Brack punt and Dippery recovered on the six. Raven put the ball on the two-yard stripe and Lewis sneaked through to a touchdown, making the score 7-0 with the conversion. The game was played on a slow rain-soaked field with both teams making 10 first downs. Weldon Humble showed up well for the Eagles; however, he couldn't "get going" on the slippery turf.

### **San Antonio Tech**

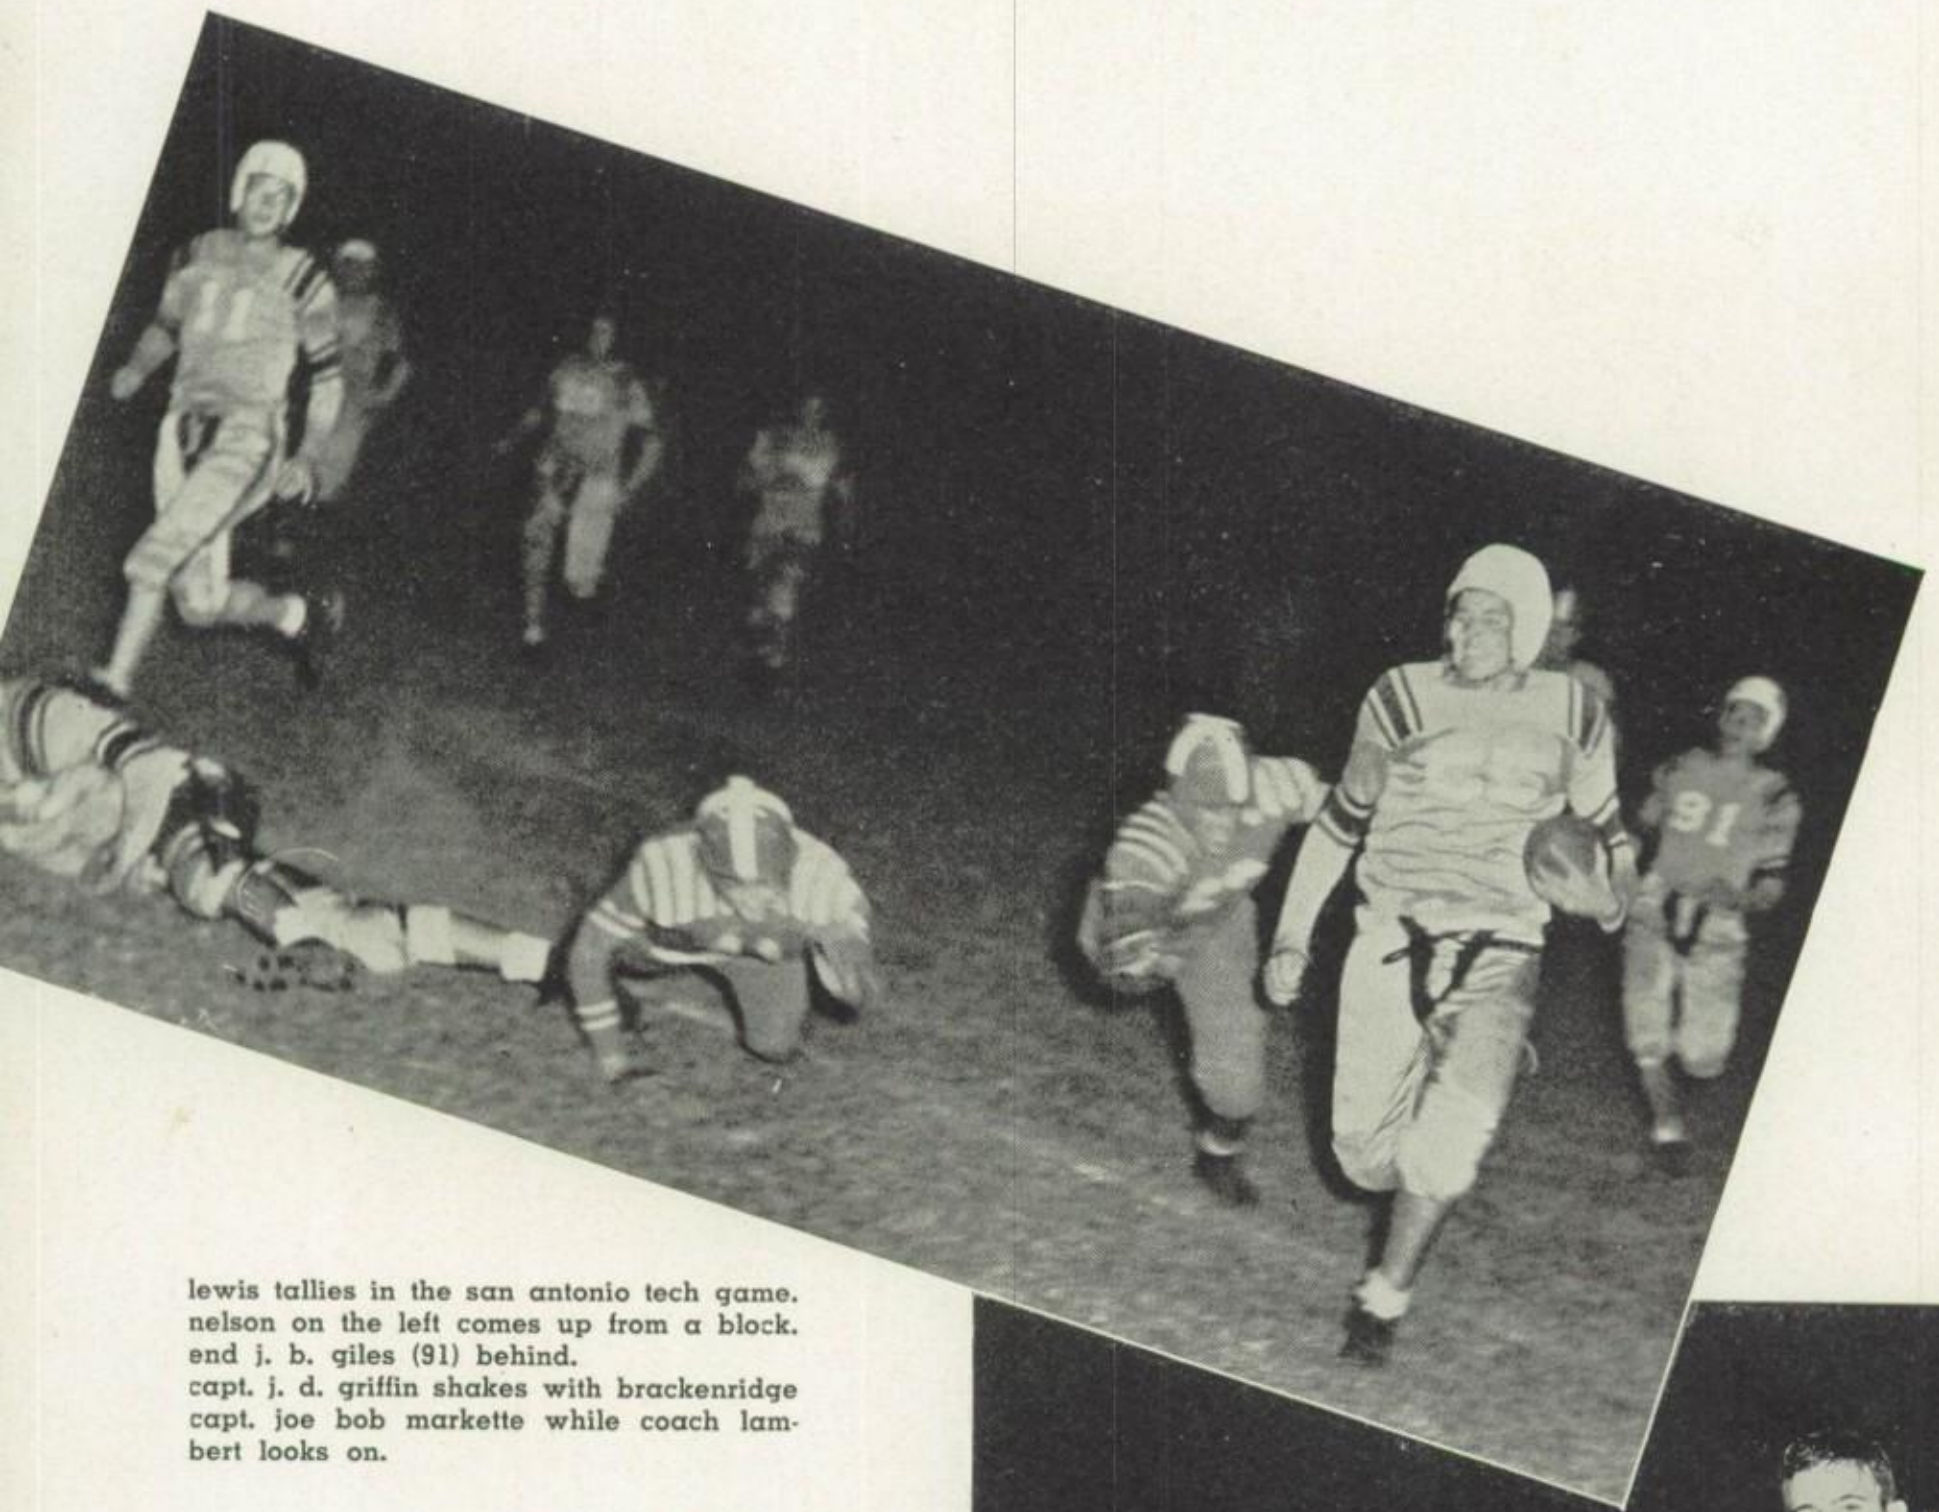

The Lambertmen hunted down the Red and White Tech Buffaloes on November 24. Early in the first quarter the slippery Maroon backs crossed the goal line twice to put Austin out in front 12-0. Shifty Lewis, aided by Raven, Munro, and McClure, toted the ball to the promised land to give Austin its ninth straight win by a score of 39-0.

### Kerrville

With power charges set off under Raven and Jimmy Munro, the House Parkers blasted away at the Tivy Antlers, 21-0, and at the same time captured the District championship for the first time in eight years.

The game was climaxed when Raven shot a pass to Lewis Holder on the Antler 13 and from there Lewis went on to pay country. The Austins led 14-0. For Tivy, Trapp and Coleman were the flashes in the backfield. Kincaid, at end, was their standout in the line.

In the Maroon victory before 10,000 fans, Carodine Dippery, powerful tackle, and J. D. Griffin, All-District guard, were the most consistent mainstays in the Crimson line.

raven off for another touchdown in the thomas jeff game . . . nelson (11) comes in from the left.

### Brownsville

With the district pennant behind them, the Crimson Tide placed the Brownsville eleven in deep water with a score of 20-6. Austin came back with two honors—the bi-district crown and the honor of being the finest team ever to play on the border town's Tucker Field.

Austin took the ball on the Brownsville 34 in the middle of the first quarter, and from then on it was "catch as you see fit" for the Golden Eagles. Raven scatted left end, broke loose for a 27-yard run and followed up with a conversion.

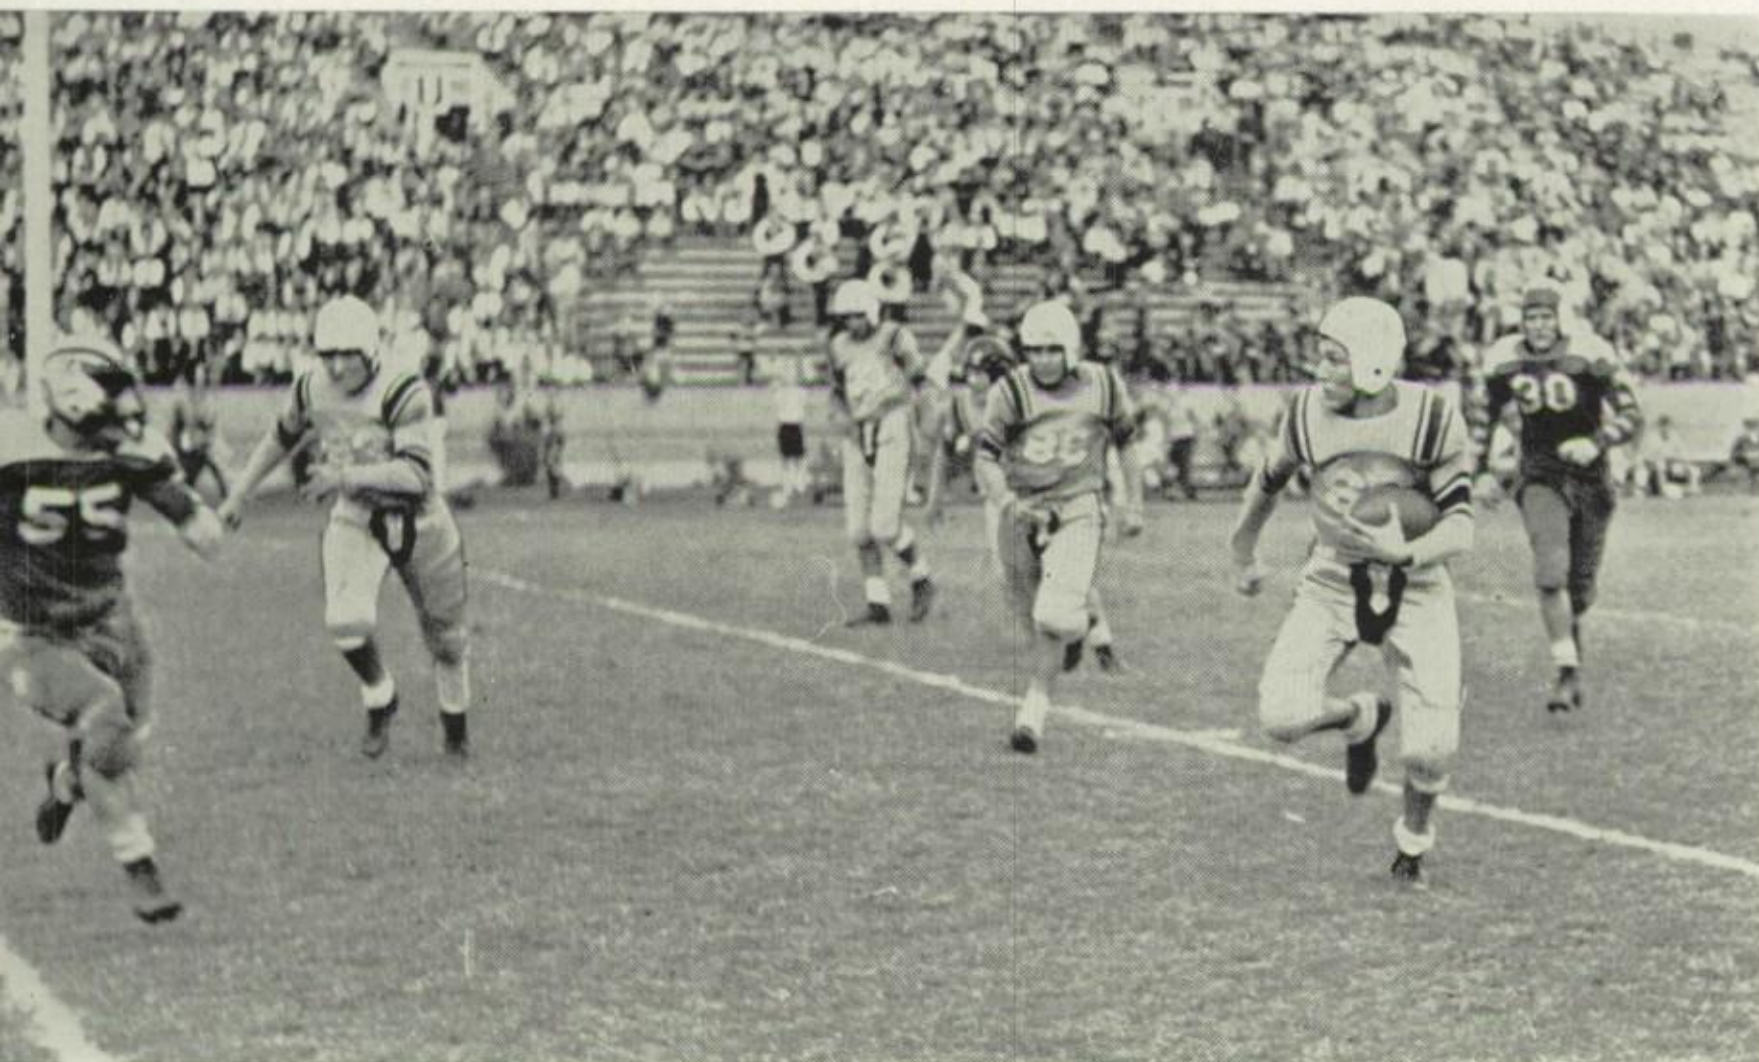

Coleman Griffith, Maroon lineman, recovered a fumble from the Eagles on the Crimson 13-yard line. Pete Lewis and Jim Munro ploughed to the 10. A penalty gave the Maroons an extra five yards, and on the following play Lewis shot off-tackle for six points.

The second half saw a revived Eagle crew when the Brownies staged a drive that started on their own 47. Barnard tossed a 2-yard pass to Armstrong and marked up the Eagles' lone tally.

### **Stephen F. Austin**

Closing an exciting season on Houston's Rice field before packed stands, the Maroons faced the fighting Mustangs from Stephen F. Austin. This clash decided a state quarter-final champ and certainly exhibited a classy field of schoolboy gridgers.

a. o. martin on a reverse around left end before being stopped by hawkins (55) s. f. austin guard.

The Crimson, against a heavy line, outplayed the Stevies the first half; but the last period brought out an inspired Houston team with the accurate tossing arm of Lawrence Kocurek and the sticky fingers of Harold Stockbridge.

At the half the Lambertmen led 14-0 but the Ponies tied the score and penetrated three times. In a last-minute attempt to invade the Ponies' sacred 20-yard stripe, Raven dashed 21 yards, placing the ball on the 31-yard marker. The game ended with Stephen F. one penetration ahead of the Maroons, placing Houston in the semi-final bracket.

## b team

The B team, which in most schools is just cannon fodder for the varsity, enjoyed a successful season last fall, when they won all their games except the battle against the heavier, older, and more experienced men from the Texas School for the Deaf, which they lost 12-6.

The Maroonettes started the season by defeating the San Marcos B team 13-6. Then came the disastrous game with the Deaf School. The Little River Academy trespassed House Park with a lot of fight, but were trampled 20-0.

The last game of the season was with the Peacock Military Academy, who boasted the former all-city junior league star from University High, Jim Worrell. He showed plenty of class, but was no match for the teamwork of the Maroonettes.

Standouts for the whole season were Jackie Elliott, Carl Moore, and Curry Green in the backfield, and William Griesenbeck and George Guerrera in the line. Nolan Kelso and Bobby Bowman were prominent in the backfield until they were overcome by early season injuries.

## goldshirts

A fine Goldshirt squad went the way of many teams last year when these potential champions were thrown by the enemy of football—injuries. They started with a bang by holding the strong Manor eleven two touchdowns and beating Allan High School 14-0. Tying the powerful University High Eagles, they were rated the team to beat in the city race. During the second half, however, the hospital jinx overcame them and the Goldshirted boys dropped a heartbreaking 6-0 decision to the Allan Green Wave in the second half on a long pass over the goal.

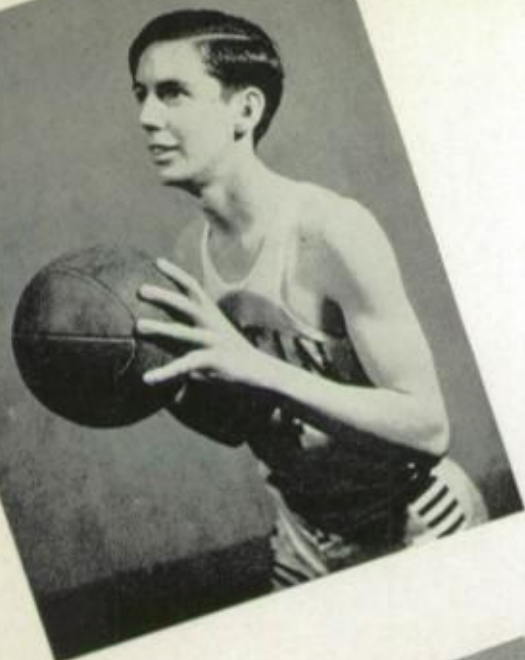

Still with a chance to win the city championship by beating University High, the Goldshirts practiced with the B squad and went into the game with an even chance to win, but injury followed them into the game and two men were carried off in the first half. This was too much for the boys from Austin High and they went down to defeat 6-0.

T. W. Caffey, Bob Ross, and George Beard in the backfield and Bernard Mollberg, Waldon Potthoff, and Alvin Fritsch in the line will make valuable additions to future Maroon teams.

Eight wins and ten losses . . . that's the record of the 1939 Maroon basketball team. The real story isn't in the games won and lost; this tale concerns a group of inexperienced but determined young boys averaging 5 feet 8 inches in height, who, despite their physical handicap, developed a style of play that was basketball at its best.

Opening against St. Edward's, Austin brought home the bacon, 27-18. Pulling in wins over New Braunfels, 49-47; Sam Houston, 26-14; Thomas Jeff, 25-22; Briggs, 30-21; Elgin, 32-23; the Maroons defeated Johnson City 27-19 in the first game of the District meet in Georgetown, then trounced Briggs 28-23 before losing to San Marcos 29-16 in the championship play-off.

San Marcos poisoned the Maroons in three games, twice by scores of 29-16 and once 41-28. Falling before Thomas Jeff, 19-32; Livingston, 30-35; Deaf School, 24-26 and 21-25; New Braunfels, 34-35; Austin closed the season with Waco, 21-35 and 34-38. The Maroons averaged 26.8 points against opponents 31.9 per game.

Reuben Ortega was high point man with a total of 117 points on the books. Graduation and ineligibility passed the Crimson ranks lightly, grabbing Robert Shane and leaving the rest of the squad to see service on the timbers next year.

STRIKE THREE! YOU'RE OUT. Thus ended one of the most successful baseball seasons that the Austinine has turned out in several years. Featuring an excellent combination of heads-up play on the field and in the box, the Crimson managed to pile up an aggregate score of 114 runs to opponents' 110. Reaching the State Semi-Finals by the hard road, Austin lost to Phar-San Juan-Alamo by the narrow margin of 6-5.

Losing the opening game to the powerful Hondo Owls 7-4, Austin came back to split the second series with S. M. A. two-all. In a heart-breaking three-game go with the Texas Yearlings, the Maroonmen were decidedly unlucky, losing by close margins in all games, 7-3, 4-2, and 15-12. Avenging themselves the Reds next took the Aggie Fish 7-6, went on to mop up on Allen Academy 8-5 and 13-7, and defeated Liberty Hill 14-10. Saint Ed's proved to be our Waterloo, shellacking Austin 11-8 in a fast game.

Dallas and the Second Annual State High School Baseball Tournament saw the Burgermen defeat Maypearl 12-5, San Augustine 4-2, and lose by one point the right to compete in the finals to Pharr-San Juan-Alamo.

Austin's outstanding players, "Bunky" Helf, Clarence Glendening, Jim Collins, David Crenshaw, and Dan Smith were lost through graduation. Leroy Jarl and Collins shared honors on the mound with Charles Wolf and Joe Randerson on the receiving end, to give Austin a hot season with close-score games.

Prospects for next year—"Watch the Crimson Kids!" was all Coach Tony Burger would give out.

Outrunning a five-team field composed of Bastrop, Cuero, Kerrville, Lockhart, and Austin, by a score of 55-33, the Crimson Kids started the honors for the second straight year at the Lockhart Relays with a total of  $22\frac{1}{2}$  points—Frank Covert, Murph Nelson, Ralph Park, and Tom Lemon set a new 660 yard relay record. The Maroons traveled to Cameron the following day only to lose to Jeff Davis,  $22\frac{1}{2}$  to  $23\frac{1}{2}$ . Finishing seven points ahead, the Mercurymen took the Conroe Invitation Meet by a score of 24 points. The San Jacinto Relays set Austin down to second place, five points behind the winner, Kingsville. The

annual Texas Relays again saw the thinly-clads in first place, tying Brackenridge and Brady with eight points.

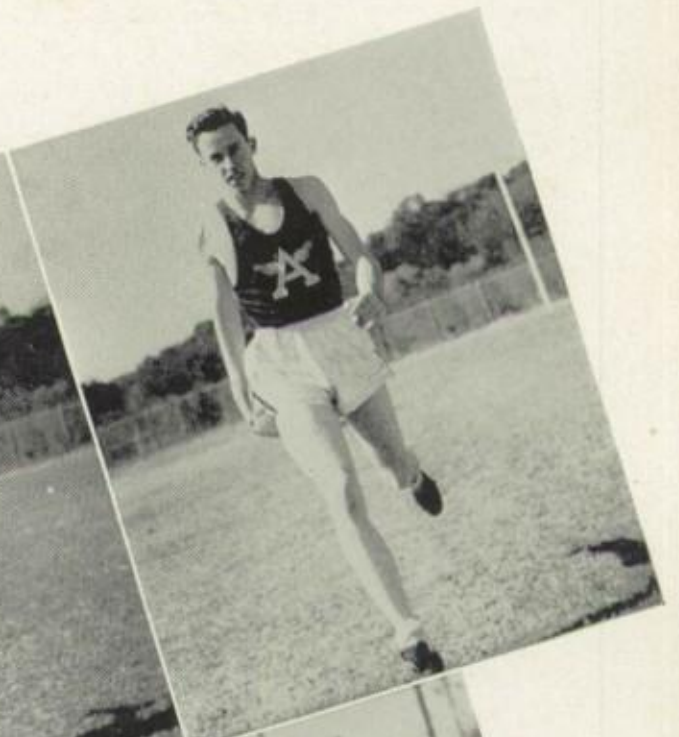

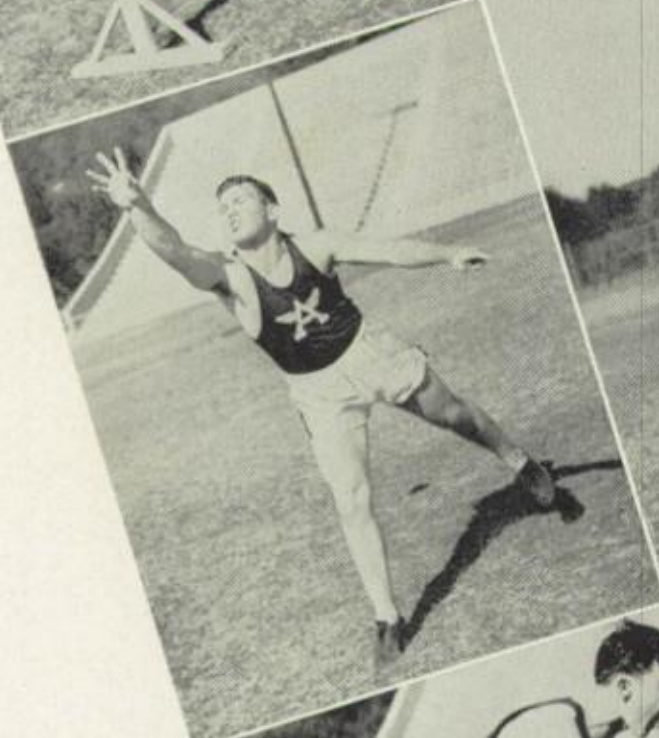

April 15, Austin romped away with the District Meet in Georgetown for the fifth consecutive time, scoring  $47\frac{1}{2}$  points to lead by 32 tallies. Going stale at San Marcos Regional, the Maroons lagged in with 18 points, but placed Frank Covert, Homer Mayhall, Bob Griesenbeck, and Walter Turner in the State Finals. Only one Austin man, Covert, placed at State . . . fourth in the high and third in the low hurdles.

Blasting Waco to the tune of 6-5, driving on to defeat Georgetown 10-2, losing to the highly tutored Thomas Jeff Mustangs 6-0, and winning the boys' doubles at the District Interscholastic Meet, sums up briefly the activities of the Austin High School netters for 1939.

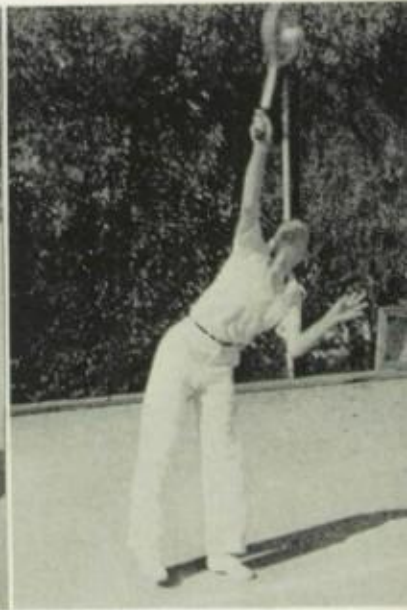

Under the able direction of Coach Woodrow Sledge, Bob Taylor and Clarence Goen paired off to form one of the strongest doubles combinations the Crimson's have had in several seasons. Robert Stenberg, number one man, and Elgin Williams, a reserve from the '38 squad, developed into the hardest players on the courts, never considering themselves beaten until the match point.

Featuring a hot forehand drive, girls' captain Margaret Wendlandt literally scorched the courts during the meets. Clara Harris and Shelby Frizzell smashed, lobbed, and drove their way to beautiful games with few weaknesses. Hazel Robisher will be back next semester to the delight of Coach Sledge.

Four first places in as many meets, and one consolation prize in the State Finals, Austin's embryo golf team ended the most successful season of any interscholastic squad.

Organized for the first year under the direction of Coach L. S. Ramsey, the team met Southwestern University in two dual meets, winning both by large margins. Stepping out to the Kerrville Invitation Meet, Austin took top honors as a team, while C. D. Griffin ended with the medalist score of 9 over par for 36 holes. Another first place fell to the Maroons in the Luling Invitation Meet with C. D. placing second in the medalist score.

Lack of funds and transportation facilities kept the entire squad from making the trip to the Annual State Meet in Dallas; however, Dudley Krueger and Claude Wild entered the meet as individuals. Krueger defeated Wild when they met in the consolation round of the championship flight.

## swimming

Champions again! Represented by Captain Walter "Olympic" Turner, Billy Bob Williams, Harold Fisher, Rhesa Penn, R. E. Burnett, Bill Worrell, Coy Lay, Harold Brelsford, and Wade Smith, the Austin fish swam through the Texas teams to another state title. This fourth championship since 1934 was due largely to the piloting of Coach Tex Robertson.

At Fort Worth they drowned Paschal High, the '38 State Champs, in five out of six events, by a score of 48-27. Against Tulsa High and Tulsa University in a triangular meet, Austin pulled in second, a few points behind Tulsa High, tops in Oklahoma. Homeward bound, the Maroonmen stopped for the night in Dallas, there outswimming the Y. M. C. A., 39 to 24.

May 8 saw San Antonio Y. M. C. A. sink before a fast-swimming Maroon squad. The tanksters climaxed their season by winning top laurels at the State Meet by a thirty-point margin. The Maroons took first in medley relay, free style relay, 100 yard breaststroke, and 100 yard backstroke.

# polo

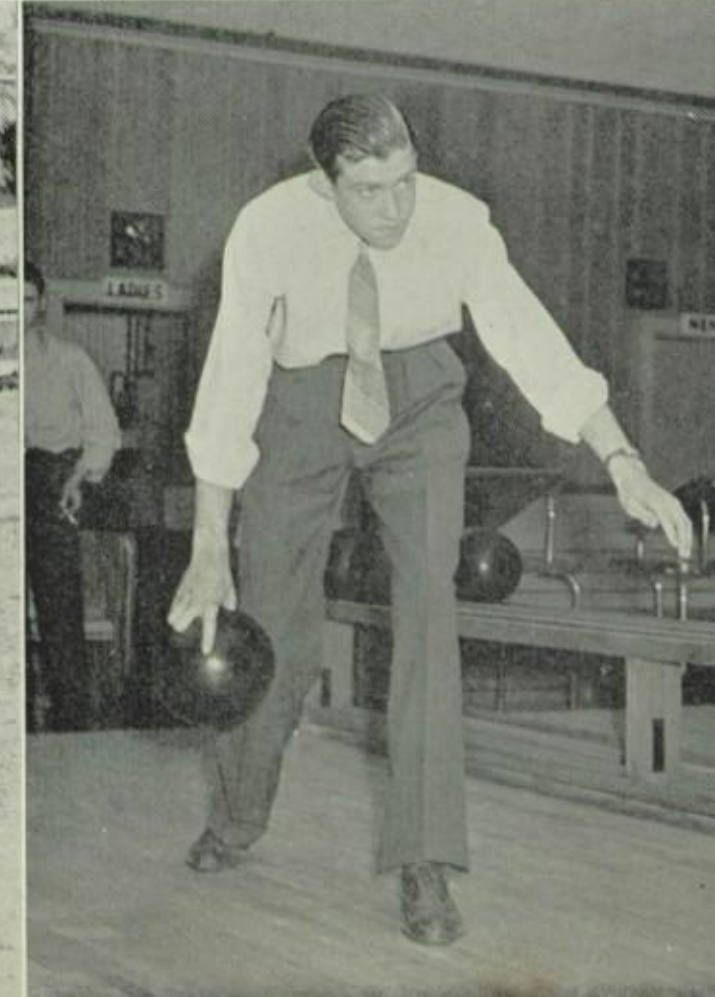

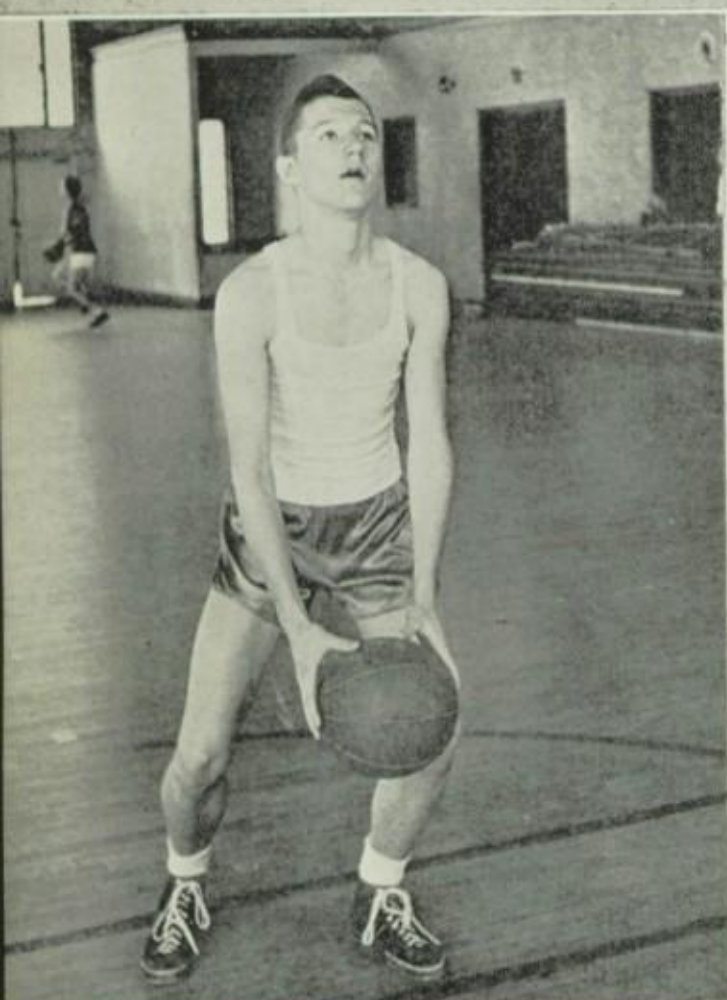

The Austin Polo Club, consisting of seven hard-riding stickmen, showed up in their first year of existence as a team worthy of their spurs against any foes. Members of the squad are Bobby Hammann, Wallis Schulle, Hume Cofer, Roger Craig, Norman Craig, Fred Werkenthin, and Claude Richey.

The squad had no interscholastic competition, but they played the University Exes, winning one game and dropping one. In April Bob Hammann, Wallis Schulle, and Claude Richey went to College Station with the University of Texas polo four to match the A. & M. quartet.

# boys' intramurals

Boys' sports hit a new high at Austin high school when the intramurals were run off in perfect order by Gordon Bailey, in his first year as 'mural director. Over 775 boys participated in basketball, softball, touch football, and volleyball. Bowling, badminton, free-throw, and ping-pong also drew a large number of entrants.

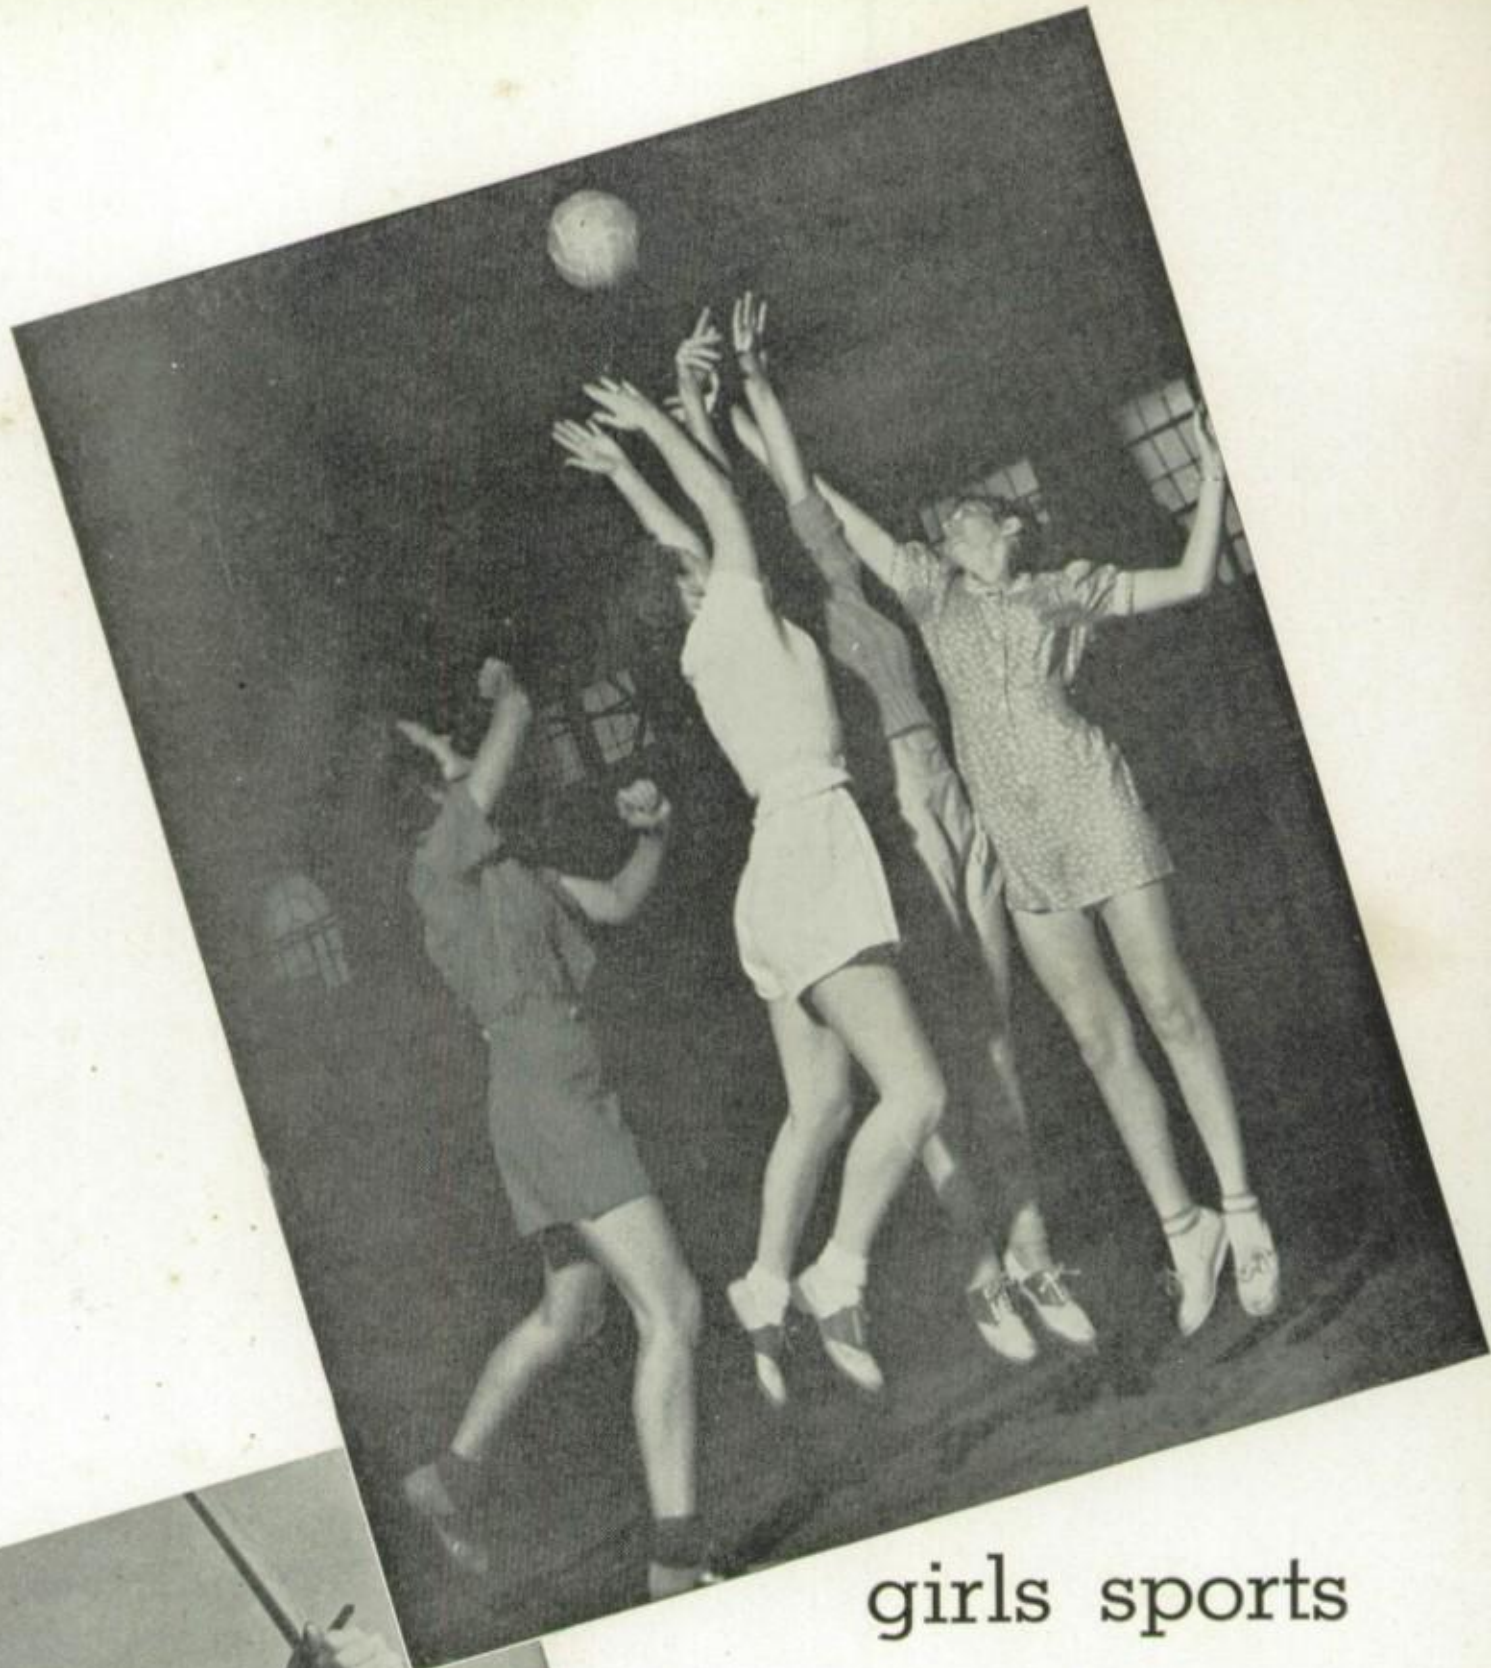

Winners in the wide open basketball race were Bryant's Bees; Guynn Cook, runners-up. Touch football saw the Blue Devils, recently formed boys' athletic club, walk away with the crown by beating out the Senate Debaters. In the softball league, the Gridiron Club took the title from 12 other teams.

As for the one-man sports, Hutch Bass, Austin's tall basketball center, beat Ed Hatzfeld for the free-throw crown by a small margin. John Holley defeated his opponents in the bowling tourney. Runners-up were Ewald Scheffel and George Sutherland. Bobby Kealhofer out-volleyed Ed Hatzfeld in the ping-pong matches to become table tennis champion of Austin High.

Bowling attracted 50 entries; the champs received individual medals. Track and field, a new 'mural activity, was open to all boys. The first three winners in each event were awarded ribbons; the high point team, a traveling cup.

left: touch-pass winners, blue devils; ping-ponger bobby kealhofer; hutch bass, free throw; bryant bees cage five; gridiron diamondmen; bowler john holley.

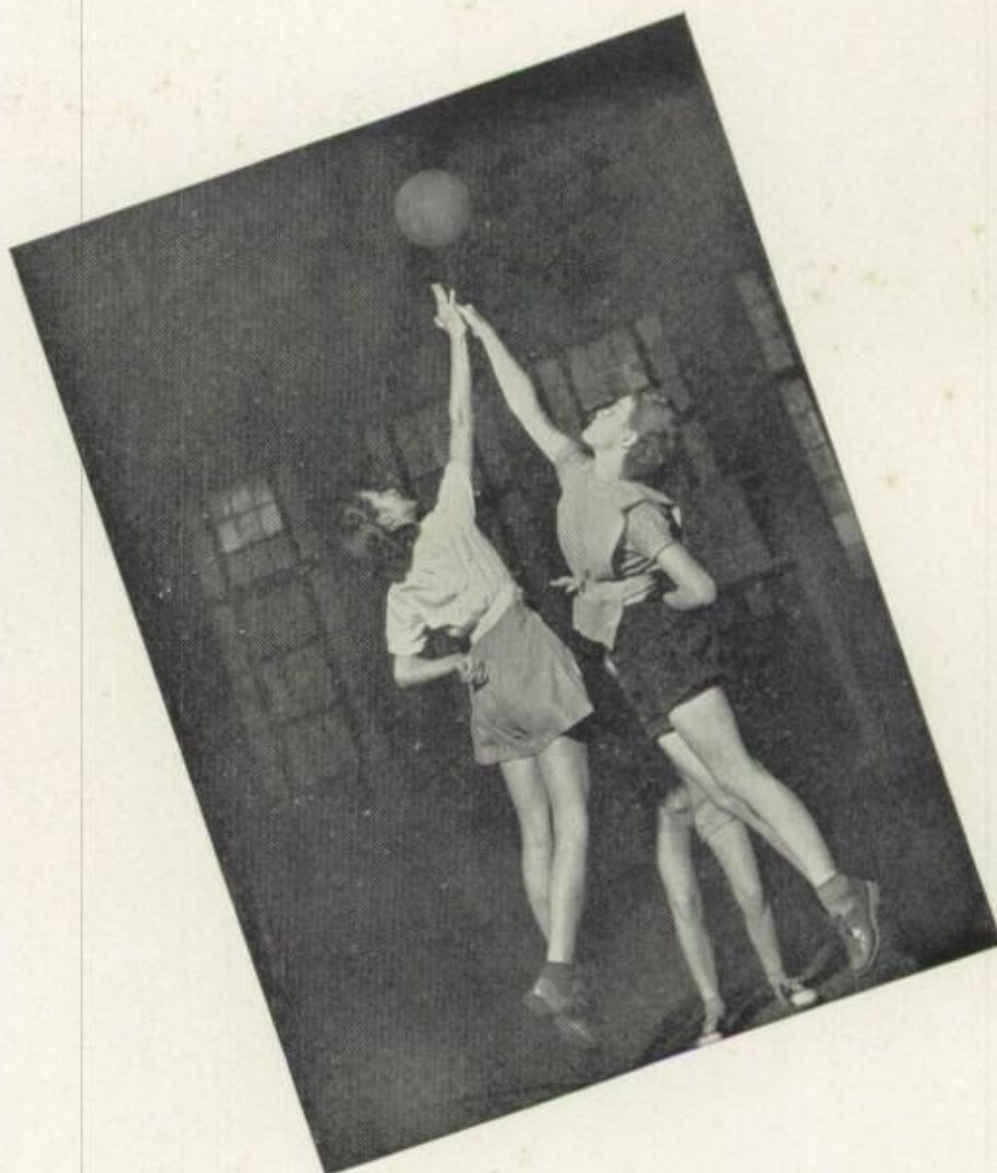

girls sports

Under the direction of Miss Betty Love Rugeley, department head, and Miss Lois Dunlap, the girls' sports have taken on new life. All girls are required to take gym, for which they receive  $\frac{1}{2}$  subsidiary credit. Regular courses include tumbling, hockey, volleyball, basketball, deck tennis, archery, speedball, and dancing. Corrective exercises, rhythm, ping-pong, and badminton make up the corrective class plan. Interest is furthered by the Girls' Athletic Association and Intramural Managers in the year-round intramurals. These 'murals attract many club and non-org groups; approximately 750 girls . . . an increase of over 250 since last year. Archery, deck tennis, badminton, volleyball, basketball, baseball, and ping-pong are featured in the competitive field.

Those high flying Hypatians are really enterprising young ladies! They always have been. 'Way back in 1916, their predecessors helped to set the pace for the social whirl; yet their high ideals, though somewhat altered by time, are essentially the same. Even in 1916 Austin High School knew that the Hypatian part of a bargain never falters.

Dignity and Impudence combined in secret proportions with Beauty, Wit, and Wisdom yield a fascinating product—the average Poly—not the "want a cracker" zoological variety, but a snappy little number who knows her Dale Carnegie.

Since 1927, the annual crop of Polys have lived up to their standard—"eloquence rules with resistless sway"—and have graced many a social event de luxe with their regal presence.

Three has really been a charm for the Senate Debaters. This is their third year of organization, and they have a record of success that puts them right up on top in intramural sports, and on the foot-ball, track, and swimming teams, not to mention their scholastic shine and their social polish! It's time well spent if you go to their annual Spring picnic 'cause that food is deeeeee-licious!

"... And so they ups and starts a brand new society" ... those nine adventurous young fems did, about a quarter of a century ago; but there has been no loss of that original thoroughness, that energetic initiative in each pretty pate which has arisen since then to adorn the club page in the Comet. . . They seem to have inherited beauty as well as brains from their "ancestors."

Maybe you didn't know that Adonis was noted for his beauty, and that it was because of this that the Adonians chose his name for their club. With their pleasing personalities they swing big projects, such as their annual tea dances and spring formals and lots of other fun-fests. And mixed in with their social achievements are numerous literary ones.

About 1937 an addition was made to the family of clubs in Austin High School, and out of respect to Socrates, the orator of Athens, the youngster a la 1937 was named Socratic Club.

Even in its comparative infancy it commands respect and praise for its success in debate, in athletics, in scholastics, in society, and in all-round student life.

Watch out, you proud and haughty grandpappy clubs—here comes a rival!

You've seen them around, of course, because they do get around, and they're the kind that rate more than just a passing glance. Since 1932 these ambitious Athenaeums have been blazing a trail of glory for themselves around school. In intramurals, in social doings, and just everywhere these young up-and-comers are found, always in the thick of things, and always right up on top.

It has been rumored that "great oaks from little acorns grow" . . . . we have proof right here in A. H. S. that it's true. We mean the Philomathian Literary Society, which grew from sixteen swell gals in 1934 to thirty-five dittos today. In addition to being among the leaders of the social whirl, the Philos are accomplished young ladies in a literary way, too.

A real child prodigy in Austin High . . . for it is only seven years old . . . is the Platonian Literary Society. Having as its primary aim to encourage social life in A. H. S., the Platonians have built up for themselves a reputation for having high standards and giving some of the gayest dances ever seen in the school gym.

Any Hypatian, Poly, Maggie P., or Sapphonian who feels the call of the great outdoors and decides to answer it is automatically a Paisanoite. These daughters of Mother Nature meet once a month after school to go to the Girl Scout camp and commune with the open air and sunlight and stuff. Just a glance at the members is proof positive that outdoor activity is the best beautifier.

It was started back in 1926 by Miss Vera Lee Moore, was this enterprising little club, and it is still going strong. Maybe its success is due to living up to its motto, "Manana de zorras, mal dia de caza," which means in our language, "Don't put things off until tomorrow." Anyway, they turn their energies toward things Spanish with a vengeance, and their programs include songs, talks, and slides about Spain and South America. They participate, too, in the Pan American Student Forum and the Spanish Club Conventions, state and national.

Haven't you sometimes wondered about those torchy Spanish songs that are wafted out upon the air during the club period? The originators are probably La Tertulians, who gather round every other week to create a Spanish atmosphere this side of Madrid. It's all done with programs about Spain and the Spaniards; and there's lots of good old American fun at their picnics and parties.

No resurrected Roman senators in togas are these members of Sodality Latina, but moderns with an interest in things ancient and how those things tie up with present-day doings. Their delvings into the dim past are dressed in program form; yet their parties are strictly 20th century!

A "gay Paree" all our own! What beautiful, bubbly conversation and what merry laughter! But that is just one phase of the club activity of Le Cercle Francais. Those quaint French customs, folk songs and games lend their native charms to a variety of festivities, such as the "Fete de Noel," held annually since the club's organization in 1916.

Maybe curiosity killed the cat, but it's what keeps the Research Club alive. It's an aggregation of those rare individuals who are not content to say "That's that" and forget it. . . . They want to know why, when, and under what conditions that is that, and if it isn't that, then what is it? People like this make the world progress.

Maybe it's a coincidence, and maybe it isn't, but we have an idea that our newly organized Twirling Squad has something to do with the swell record our football team has made this year. What team wouldn't develop a winning streak, with seventeen slick baton belles to cultivate school spirit for it? And from a spectator's point of view, our football games were good before, but these twirlers are the frosting on our cake—they make 'em perfect.

"Tramp, Tramp, Tramp, the Gals Are Marching" might well be the theme song of our unusual group of Red Jackets, those "vim, vigor and vitality-plus" lassies who conscientiously walk their arches down, drilling for "next week's" performance between halves.

Baton twirling, formations, or just fancy stepping—they "do it up fine," under the able direction of one Miss Betty Love Rugeley whose name, we prophesy, will go down in history as one of the cleverest generals ever to maneuver an army (fems or otherwise) on the gridiron turf.

Since its organization in 1919 by Miss Florence R. Brooke, the Red Jackets as an institution has been a life-saver in more ways than one: its pep is a wonderful tonic to a fighting team; its appearance and superb showing are notable assets to our school; but, according to popular opinion from its ranks, its chief value lies in its A-1 reducing facilities.

Three cheers for democracy—via our Maroon! This is where John and Jane Student can get the ego-expanding thrill of seeing their names in print. Big doings are going on round about our school, and if it weren't for our Maroon, we'd never hear of lots of them. The Maroon has journalistic honors galore to its credit, substantiating all our fine opinions of it. So here are three more cheers—and we hope our greatgrandchildren will be Maroon subscribers!

Miss Betty Love Rugeley, sponsor; First row: Bates, Braden, Brydson, Buchanan, Darnell, Davis, Foster. Second row: Griffith, Hamilton, Heath, Howard, Johnson, Luce, McCormick, Moffatt. Third row: Nelson, Owens, Pacharzina, Ward, Weikel, Weise, Wilkerson.

You never saw such a busy group of gals as those intramural managers—take a peek in the girls' gym after school; and if you don't get knocked down by volleyballs, quoits, basketballs, arrows, birdies, and any number of other such missiles, you will see girls flying around doing any and all things athletic while our authoritative group of managers shout directions, lineup squads, check attendance, and do countless other things—to say nothing of having planned out in advance "who plays whom in what and when." It's their cooperation with the officials which makes our intramural program so extensive and so successful.

Take some fifty lusty young voices, add a little practice and plenty of that Wray artistic touch, and you have our Glee Club, as top a bunch of choristers as ever sang a crescendo. Anything from a furious fortissimo to a placid pianissimo they do so well that they bowl over the most blase of judges. Daily they annoy nearby annex teachers with their shingle-raising shouts, but the result is really worthwhile. Every year they come out from the contest tussle with top ratings, and they probably always will as long as the inimitable Mr. Wray is leading them.

What's sweller than a parade? The Maroon Band on parade, of course. When those snitzy maroon-and-white uniforms come strutting down the avenue in time to beating drums and blaring trumpets, all us Austin-Highites swell and fairly bust our buttons with pride. What about honors? They're practically buried in 'em—those gold and silver cups and individual plaques, too. What about fun? Just go to a Band Dance sometime. The old gym walls have to stretch. Have they got spirit? I'll say! They push our team over the top at football games with their music and marching. And can they play? Don't you know by now? Just ask anybody who has ever heard them.

Knowing that something must be done to put fight into the Comet, the editors and sponsor decided to startle the school by publishing a yearbook that IS different. Profiting by experience from past Comets and studying college annuals, the dummy soon took shape . . . . a mess of crazy layouts, drawings, notes. Only ideas, then one day John Crosby, photographer and ex-student, walked into the office with more ideas, but, more important still, a camera. "Production" started. Camera, lights, action . . . . yes, plenty of action. Copy to the engraver . . . . late hours . . . . swing music on the portable . . . . Esquire . . . . cokes . . . . proofs . . . . more copy and swing.

The school knew nothing until the Maroon gave a Sneak Preview. "Streamlined, Democratic 1940 Comet Will Picture Every Student's Interest, Activities . . . . Radically Changed Yearbook to Present 30 School Favorites . . . . Division Pages to Be in Color . . . . Live-wire Copy . . . . Buy Your Comet Now, Final Date March 15." Sales picked up.

First row: Knies, Lemon, Manuel, Editor; Mayes, Mills. Second row: Moffatt, Munroe, Nichols, Schmidt, Stork. Third row: Stroud, Stumberg, Wilkerson, Williams, Winn.

Staffs come and staffs go . . . . in other words, some worked all afternoon while others were swimming at Barton's. Bates, Bland, Brush, FitzGerald, and Joseph spent many hours typing write-ups by Stork, Hemsworth, Winn, Kies, Lemon, and Gillespie. Hawkins was responsible for the division pages; Windy and Burnett did the lettering. Nichols and Mills pasted hundreds of pictures . . . . Knies sat by and watched. Rainey and Williams were always at hand to carry messages. There were many who gave moral assistance . . . . Crouch, Frank, Garonzik, Gribble, Small, Francis, and of course there was the guy who just walked in, looked around, and walked out. Hustling business manager Barnhouse directed his advstaff. Selling Comets and ads were Champion, Mayes, Moffatt, Munroe, Stroud, Stumberg, and Wilkerson.

## intramural declamation

This year 65 declaimers entered the intramural declamation. The 'mural was conducted by Guy Bizzell and Chase Winfrey. After two eliminations the following students were judged winners: Robert Sneed, senior boy, Senate; Mary K. Reeves, senior girl, Minoan; Roy Nunnally, junior boy, Square Circle; and Patricia McTee, junior girl, Margaret Preston.

## intramural extemporaneous speech

Twenty-one boys and nineteen girls participated in Intramural Extemp Speech. Four boys and four girls went into the finals. Winners in the Girls' Divisions were Helen Manlove, first; Eleanor Tacquard, second; Margaret Ann Clement, third. In the Boys' division Howard Davis took first place; George Hale, second; Josef Weinberger, third.

## interscholastic extemporaneous speech

This year eight speakers were on the Interscholastic Extemporaneous Speech squad. The boys' team consisted of Ed Wroe, Howard Davis, Josef Weinberger, and George Hale. On the girls' team were Betty Jane Slaughter, Helen Manlove, Constance Bartlett, and Elora Jane Watt. They participated in five invitation tournaments this year. Davis won first in the district contest, then was eliminated from regional competition by measles. Though Ed Wroe served as alternate for district, the rules provide that second place winner in district shall serve as alternate in regional; thus Temple was allowed to represent our district in the region. Slaughter took first at regional, winning the right to enter the State meet as the only girl representative from this district.

## interscholastic debate

Spurred on by two state championships within the last three years, George Edwards and Banks McLaurin failed to win state but did take district laurels. The girls' first team, Joanne Macow and Dorothy Heep, made an outstanding hit by winning the Baylor University Invitational Meet over 200 girls' teams, and the South Texas Debate Tournament held in Yoakum, Texas. Tournaments entered were the Austin tournament, the Baylor University tourney, the Alamo Heights tournament, the Red River Valley tournament at Denison, and the South Texas tournament at Yoakum. The squad was coached by Chase Winfrey and managed by Robert Sneed.

## interscholastic declamation

Austin High was represented by Robert Sneed, senior boy declaimer, at the Baylor University meet where he was ranked fourth in a field of 60; at the Denison Red River Valley tournament he placed first. At the interscholastic meet, Georgetown, Robert Sneed was entered as senior boy, Jean Begeman as senior girl, Jimmy Gambrell as junior boy, and Dorothy Jones as junior girl. Sneed ranked second at the meet—Begeman third.

## intramural debate

The timely question under discussion was, Resolved: That the State of Texas Should Adopt a System of Complete Medical Service Available to All Citizens at Public Expense. Approximately 40 boys' and girls' teams entered. Independent teams won both divisions with Bill Barnhouse and Bill Byrne, Joanne Macow and Maurine Marquis winning the tourney.

Methuselah of our science clubs is this, and it has plenty of accomplishments to show for its years of existence. With its sister club, Y.T.S., it's responsible for much of the greenery that adorns our school grounds. When in 1938 a year-old Hunting and Fishing Club No. 2 became a nationally affiliated Square Circle Club—we wondered, as you perhaps have, whether geometry had anything to do with "The 100 Best Ways to Catch a Fish." The title may be attributed to the national Square-Circle outdoor club as publicized in "Field and Stream," sports magazine.

The boys, besides being A-1 sportsmen, harbor a perfect mania for intramural athletics, fried fish, and weiners, as evidenced by those wonderful outings. Just ask them!

"Lick 'em and stick 'em" has been the motto of the Sargonian Philatelic Club since 1924, when this society for stamp lovers was founded for the purpose of enlarging stamp collections and learning something concerning stamps besides the fact that they are stuck on envelopes.

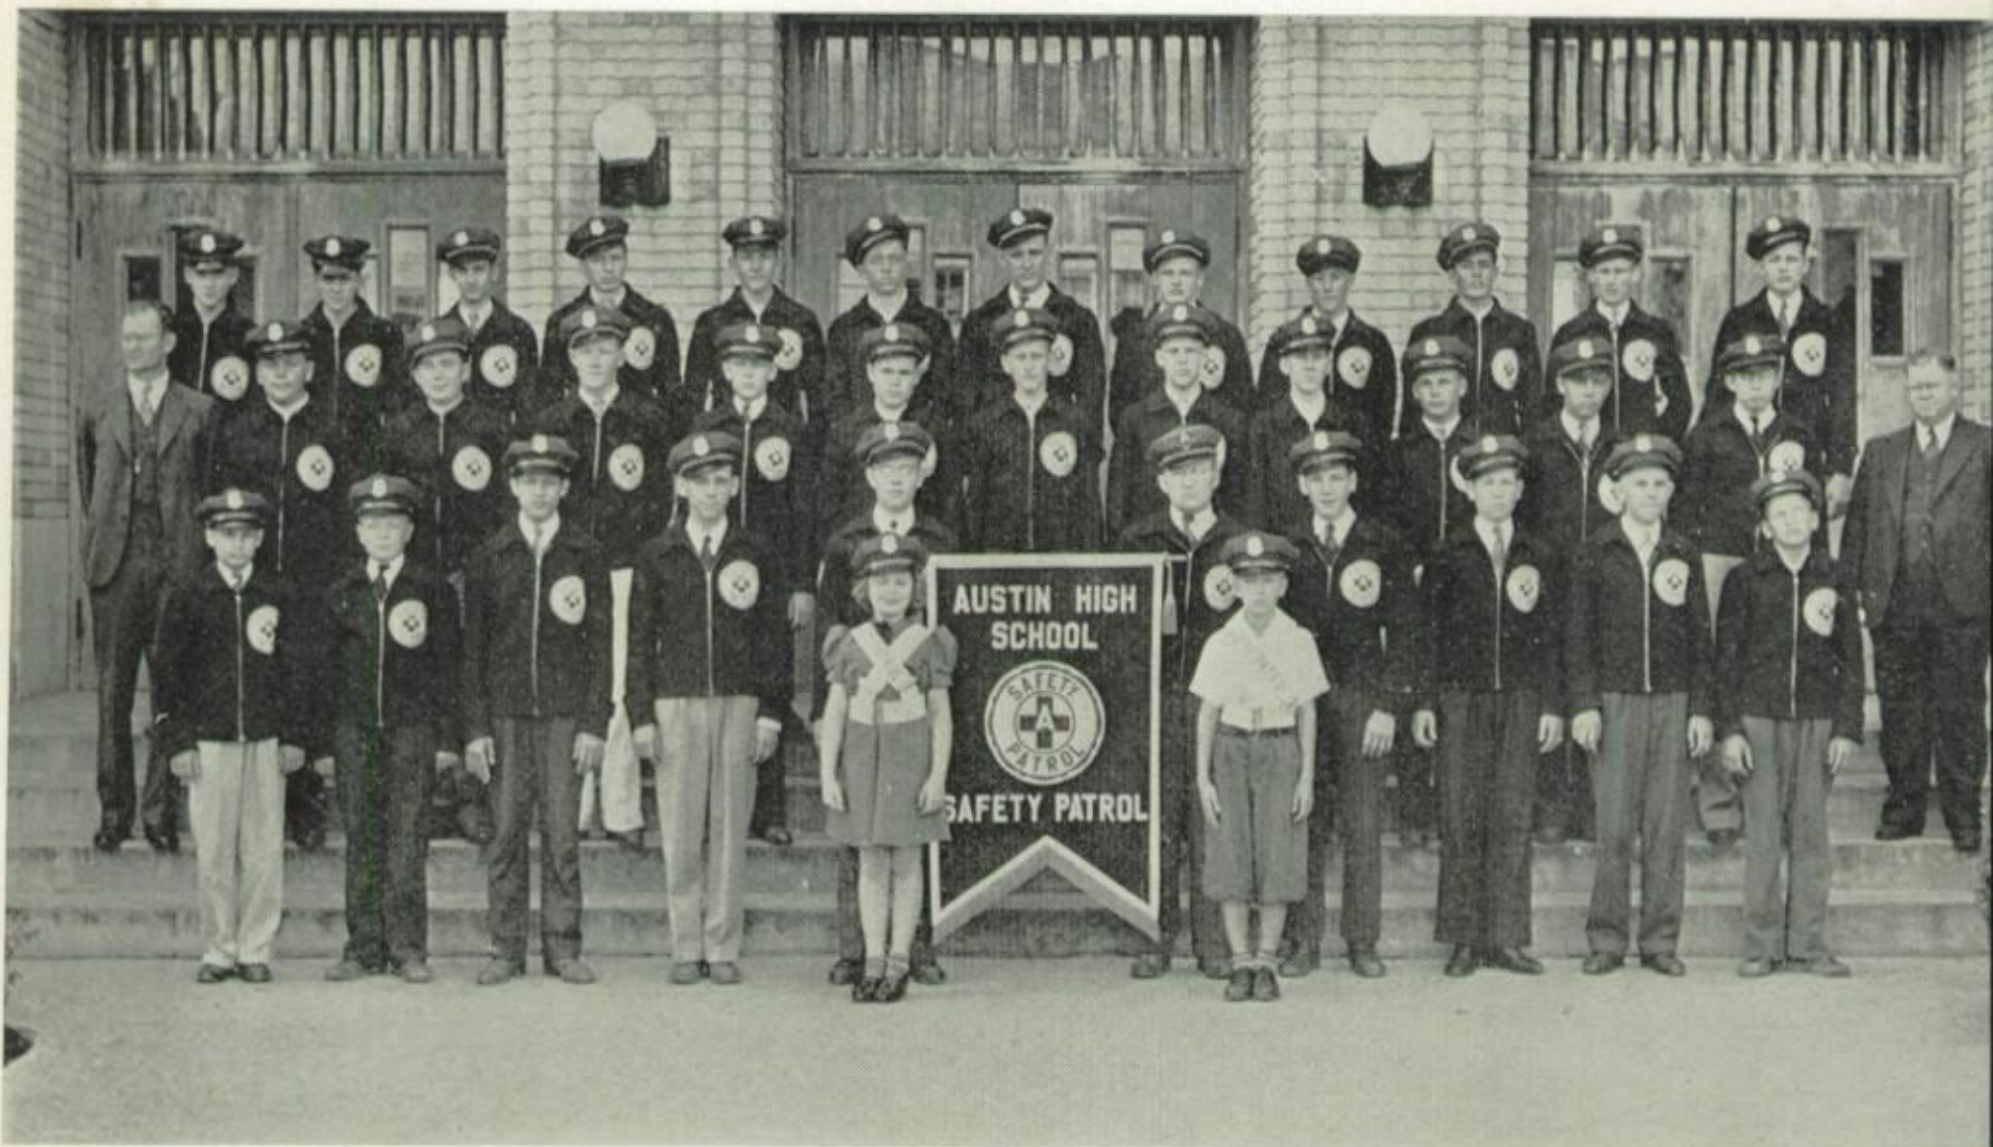

Every member makes a report at some time on stamps and stamp collections, and all members keep posted on the new issues and prices of United States and foreign stamps.

The club name is taken from the French word "philatelie" which means the study and collection of stamps and stamped envelopes. The club lives up to its name, because several members have valuable collections.

In its fourth year of existence, the Safety Patrol has walked away with so many medals, citations, trophies—hundreds of them—that the national officials acknowledged it as the outstanding high school patrol in America.

Equipped with two sets of uniforms—wet and dry weather garb—whistles, and a snappy militaristic step, our junior traffic cops wage war twice a day against this Traffic demon—and win.

Richey, Chambers, Slife, Eyoub, Watt, Cox, Graham, Dockery, Manuel, Howard.

Teddy Roosevelt's organization didn't have anything on these feminine Roughriders—they're justly famous around these parts for the masterful way they put their mounts through the paces. Good sportsmanship plus a knowledge of equestrian psychology, plus some other very special qualities add up to what it takes to pull down top honors in the gallop profession.

President.....Lady Myra Fuller

Slaughter, Klein, Haenel, C., Emmert, Davis, Miller, McKinnon, Werkenthin, Haenel, M., Davis, F., Milstead, Brady.

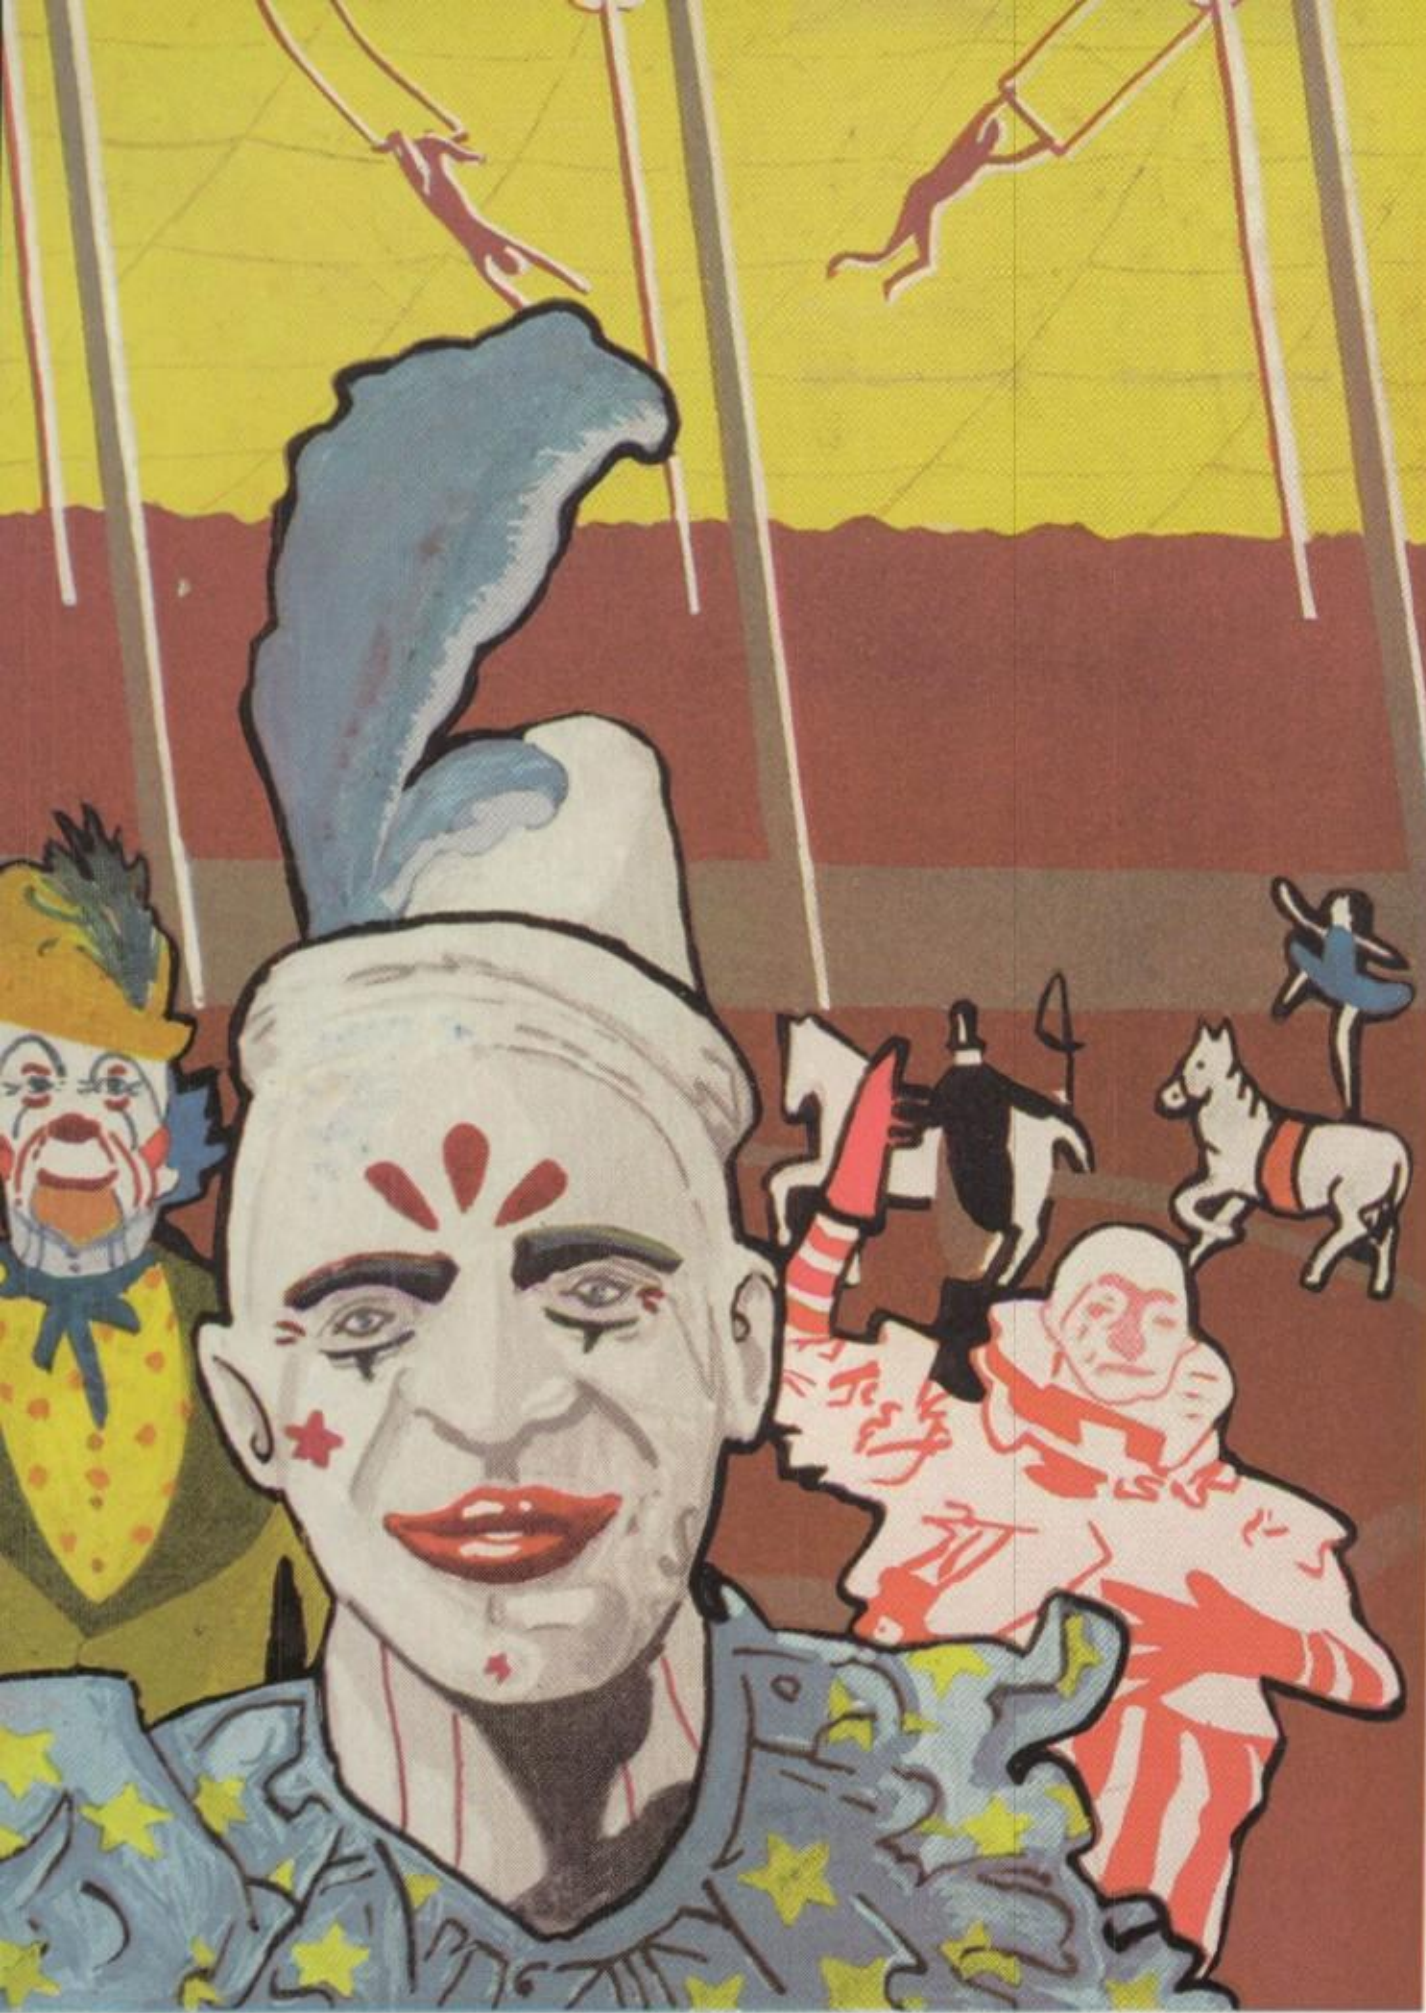

But no brown and brawny athletes are they—they're the tough-but-delicate variety that swings a mean mallet on the polo field and still look so pert and pretty perched on a horse that the judges just can't help giving them most of the prizes. Not that they ride only for winning—they trot their nags on lots of picnics and recreational ramblings.

President ..... Clara Haenel

# FORUM

... what was it? ... what is it? ... what will it be? Four years ago something called Forum was introduced to AHS. No one knew much about it, but Sponsor Hoyt seemed confident of its worth in the school's activities. Today, over half the total enrollment of AHS attends Forum. What is Forum? ... a large group of students participating in heated argument about their pet current event topic. We'll admit that a few may be deep in the arms of Morpheus (the god of sleep to you), but these are rare exceptions. Forum has helped many of us conceive a broader view of life's major problems. The future of the Forum in AHS depends on your interest and cooperation. Do you think this is too much to ask?

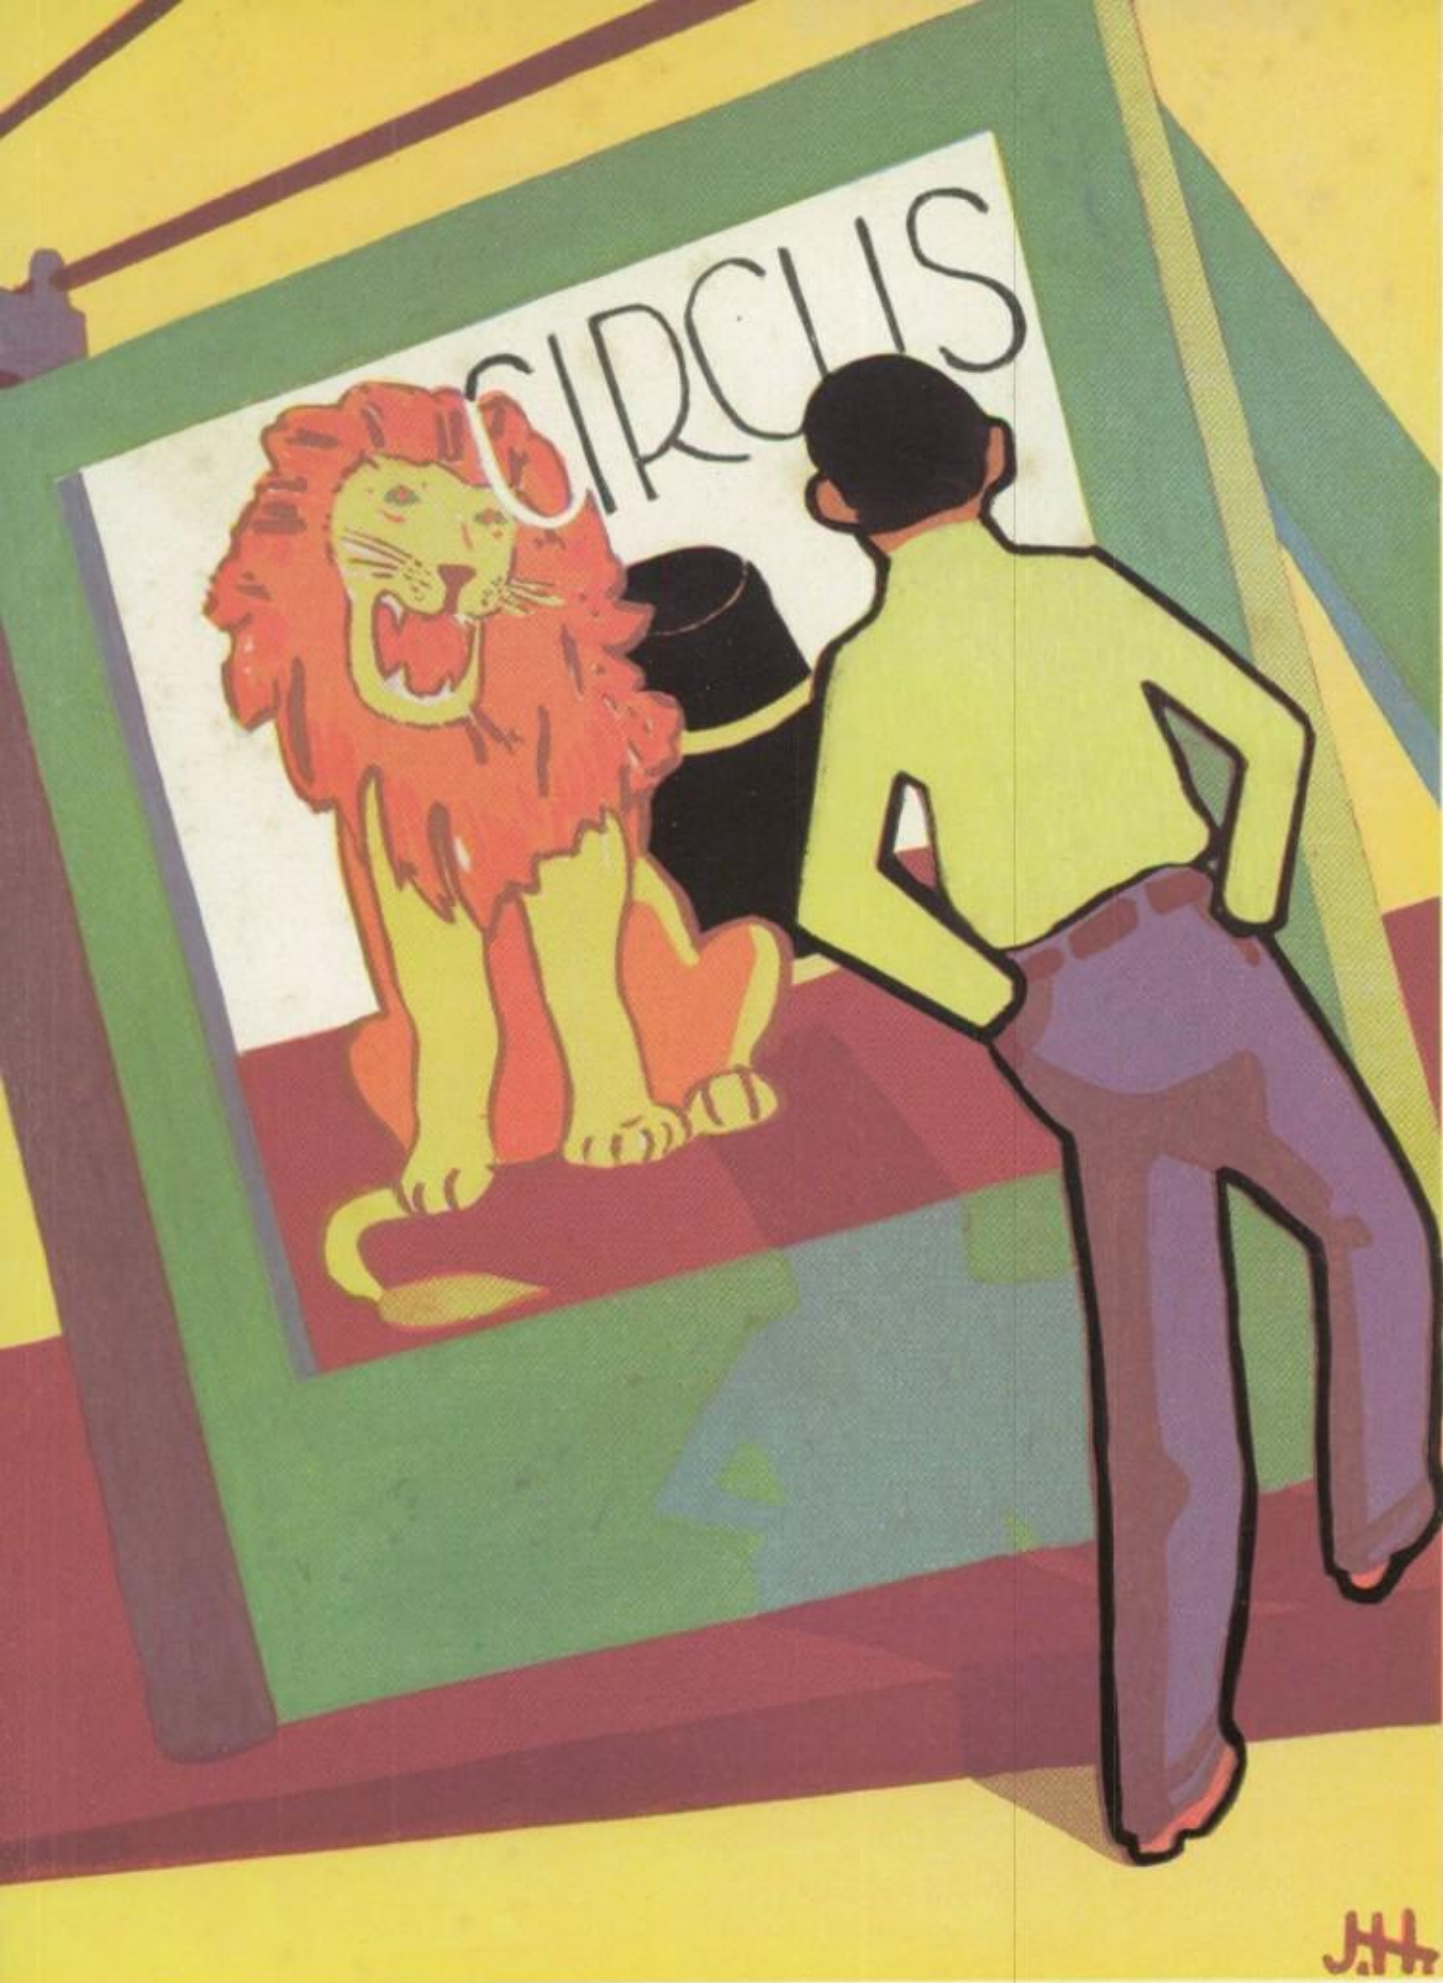

"THE FUTURE OF AMERICAN YOUTH IS ON TOP OF AMERICAN SOIL . . . NOT UNDERNEATH  
EUROPEAN DIRT."—Walter Winchell.

**Pledge...** thus begins the life of a fortunate few who are judged worthy of a "literary society" that has never seen a book, or a "debate club" that has forgotten the meaning of the word. In the good old days the "snipes" were initiated with paddles; now they make fools of themselves and are finally rewarded with a pin that is soon given to the "one and only." Each term fewer than 100 new members are chosen by the invitation clubs . . . about fifteen in number. Where are the rest of the 2,000 students? Either they join the Handy Dandy Sewing Circle or waste an hour in study hall while the "400" plan their next Silver Tea Dance.

## Permanence---

We are living in a period of tremendous change. In recent years the entire order of things, as regards nations as well as individuals, has undergone tremendous upheaval.

And yet some things remain constant. Honesty, fairness and justice remain the same. Those institutions which intend to live and endure still hold to principles that are *permanent*.

Permanence is the guiding principle in the policy of the University Studio. We are here to stay, and everything we do is predicated on that fact. Therefore, we make the customer's interest *our* interest, because, if for no other reason, it is to our interest to do so. And in addition, we *enjoy* pleasing our customers. It is a source of pride and pleasure to us!
